

JCSC Newsletter

August, 2009

Hi everyone, hope this finds all well. I'm very late, I do apologize. I completely missed the July newsletter (in fact, I think I missed the month of July all together!). I'll try not to let that happen again. Thank you for your patience.

We've had an unusually wet summer, but do hope that everyone had a chance to get the Jag out for a drive, maybe even a trip or two out of town.

CONCOURS: First things first, plans are well under way for our first concours, to be held in conjunction with the British Motoring Festival on October 3, 2009 at the Infiniti Jaguar Land Rover Dealership. If you need more information, get in contact with one of the members of the Concours Committee: Howard and Cyndi Mumm, Roy Winton, Jack Humphrey, Budd Butcher, Thom Buckley, Gary Kerkow, and Dave and Larenda Hershey. We will definitely need volunteers for that Saturday, so even if you aren't planning on having your car in the competition, block out the day to be here helping!

We have found time, with all the Concours planning, to plan some activities. On June 14th, some of us met in the morning and had a lovely drive to LaJunta to tour Bent's Fort. The trip was beautiful, we stopped in Rocky Ford for a tasty Mexican lunch, and had a most informative tour. Angela Winton met and visited with a great-grandson of Kit Carson! We had a great time, and on the way back stopped at the road side stands for some of the famous Rocky Ford cantaloupes.

When we met at the dealership that morning, these two guys were outside enjoying Thom's trees. Thom, you really need to get some new

security guards, these guys will eat you out of house and home!

On August 22nd, we will have a trip to Cherokee Castle near Sedalia. Afterward, we'll have lunch together. If you're interested, call us right away, we have to make reservations for the Castle tour and pay in advance.

We are hoping to go to the Holy Cross Winery in Canon City on September 13th. More details to follow.

October 10th and 11th the Denver club is having a 2 day drive to Pagosa Springs. They have made plans to stop and meet members of JCSC that want to go along. Details will be provided at the meeting on August 18th by Pat Grossman. The Denver club has been very generous in including us in their activities, and we certainly appreciate it!

MEMBER'S CORNER

A new feature of your newsletter, this is the place for members to share news with your fellow club members, such as a terrific trip, a new family member, an accomplishment of one of your children, or a promotion at work. Hopefully, this will help us get to know each other a little more! Please send your information to Larenda at dpljhershey@msn.com to share your news!

The Hershey's will start. We welcome a new great-grandson to our family! On July 15th, Rex Cameron Bolke made his appearance; he was born in El Paso, TX but the family lives in White Sands, NM. He had to spend a few extra days in the hospital, but is now home with his family. He is the newest member of the Bolke family that includes parents Kevin and DeDe, and big brothers Max, 8; Ben, 6; and Nick, 3. Ben isn't sure why another brother was necessary, but Max and Nick are excited. Max really wanted a sister, but quickly became accustomed to another brother, and loves to hold him and help Mom.
