motorcycles, and 4WDs) is the largest in the Rocky Mountain region of the United States

The Colorado English Motoring Conclave is the largest and best-known British motoring event in the Rocky Mountains. The 2009 Conclave will be held at Oak Park, 64th Place and Oak Street, Arvada, Colorado

The Conclave again will be supporting the Rocky Mountain Triumph Club with their **9 Cares, Colorado Shares** food drive effort, Please bring a can or two of food to help out!

The Colorado English Motoring Conclave was first coordinated in 1983 as a joint effort of the many English car and motorcycle clubs in the Denver metro area. The Austin-Healey, Jaguar, Lotus, MG Car Club, MG T Register, Morris Minor, Rolls Royce,

Sunbeam, Triumph, TVR, Rocky Mountain Vintage Racing and British Motorcycle Association clubs all take part in the planning and promotion of this annual event.

The purpose of the Colorado English Motoring Conclave is to further the operation, preservation and owner participation of the great British marques. The condition of your bike or car is not important! This is an event for **ALL** British vehicles, from beaters to everyday drivers to concours examples. All that counts is that you are a British vehicle not like the rest of us! Just look at it as a giant group therapy session.

E Type Jaguar Info

Ladies and Gentlemen,

Our club, JAG San Francisco, is planning a celebration of the E-Type for June 19, 2011 at the Blackhawk Museum in Danville, CA. Blackhawk is part of the Smithsonian group of museums and Danville is in the East Bay of the San Francisco Bay region about 1/2 hour north of San Jose.

Currently the plans are for a one day event, Shine and Show, with a buffet lunch in the early afternoon within the Museum. Everyone who owns an E-Type (JCNA member or not) is invited to show.

If we can get enough interest and support this event could be expanded into a two or even 3 day event, with a drive to the Napa wine country and a judged Concours. Because this is just for E-Types the Concours cannot be a JCNA sanctioned event (no national points), but we could run it under JCNA rules and give some very nice trophies.

Are you interested in attending? Are you willing to help with judging? Are you interested in a tour through the wine country?

Contact me, Jerry Nuijen
(jnuijen@jcna.com) and Dudley Smolen

(dudley@jags.org) who is the event Chairman.

JCNA NEWS

As a lot of you know by now, Nelson Rath has retired from the position of JCNA Administrator. The business committee headed by Gary Kincel conducted a search for a replacement and received a lot of well qualified resumes. After reviewing the resumes and talking to the applicants, the business committee presented me with their recommendation. Using their recommendation and my own, I have appointed Deanie Kennedy to take over the position. She will be handling the accounting end of the JCNA business but most importantly will be in charge of membership. From the letters sent out the first of the year, we were shown that there was a need for improvement in that area from the top down to the club level. Deanie is a CPA so we will not have to go to an outside CPA for their services. She has also been the membership chair for the Rocky Mountain club for the past 12 years and is very familiar with what is required to do the job. She also has all of the software necessary to run the accounting and membership areas of the club and the knowledge to run them. As such, if anyone has any questions or

suggestions on ways to streamline the membership and renewal process, please forward your suggestions on to her. All of her contact information is on the Contact page of the JCNA web site. The toll free number will remain the same. Hopefully there will be no noticeable disruption in services during this change over.

RMJC NEWS

RMJC Fall Drive Sunday, October 10

RMJC cordially invites JCSC to join in the fun for the last drive on the calendar of 2010!! Pikes Peak Concours will be over and you will hopefully be able to join us for a relaxing drive into the mountains!

The drive will start promptly at 9:00am. The route is a surprise; there will be a fun stop along the way, then into the Estes Park area for lunch and shopping. You will pay for lunch that day and will be on your own to enjoy the beautiful scenery, quaint town and head home at your leisure.
