August 16, 2012 JCSC Meeting

The annual drive to Canon City for lunch and wine tasting at the Holy Cross Winery is scheduled for this month as is a dinner meeting at the Stagecoach Inn, in Manitou Springs.

The JCSC will hold a picnic at the U.S. Air Force Academy on September 9. Details will be emailed to members.

The British Motoring Conclave in Arvada is on September 15th. This is the largest British car show west of the Mississippi.

The annual Drive for the Kids will be held on September 8 and 9. There will be an email circulated with details of this event.

The Jaguar Club of Southern Colorado and the Rocky Mountain Jaguar Club are looking into holding a joint Concours in 2013. Board members discussed the logistics of holding a joint car show and related issues were brought to light.

The JCSC is evaluating sources of clothes sporting the JCSC logo. Again, details of this will be emailed to members as soon as information is available.

JCSC membership renewal dues were discussed and it was noted (incorrectly reported in the August meeting minutes) that JCNA's portion of the dues have increased from \$25.00 per member/year to \$35.00 per member/year. Therefore, 2013 JCSC renewals will be \$60.00 per member.

There will be no dinner meeting in September. The Concours dinner and awards dinner will serve as the September social events.

Judges School - August 25, 2012

The Jaguar Club of Southern Colorado hosted a Judges School on August 25, 2012 to recertify club judges for the upcoming Pikes Peak Concours d'Elegance on September 28 and 29. Gary George conducted the class and presented several actual Jaguar automobile parts to better illustrate correct judging of components.

The Board of Directors present at the Judges School voted and approved assignment of a Board member to the position of Chief Judge. Jack Humphrey was elected as new Chief Judge of the JCSC.

The JCSC now has in its possession a full set of Master Jaguar Judging Guides. These are available for check out to club members. Please contact Jack Humphrey for access to these Guidebooks.

For more information and tickets go to www.shelbyamericancollection.org.

Jaguar adds AWD in 2013. Jaguar has announced that they will be offering supercharged 3.0 liter V-6 powered all-wheel-drive models of the XJ and XF in 2013 editions. The AWD XJ will arrive in December 2012 and the XF AWD in February 2013.

The supercharged V-6 engines will develop 340 horsepower and will be mated to 8 speed automatic transmissions.

“Sports Car” Magazine on a Flashdrive!

Sports Car Scan accomplished the monumental task of scanning the magazine “Sports Car” (SCCA publication) from 1944 through 1970. The magazines have been scanned in a high resolution (300 dpi), color PDF format and run through an OCR (optical character recognition) program which makes them completely searchable. Every issue has been scanned from 1944 through 1970 – the “Golden Age of Auto Racing”. Issues include national/local race reports, entry lists, race schedules, photos, ads and feature articles Everything is copied to a mid-sized USB flashdrive (8GB, PC and Apple compatible) and organized by year and month.

This format allows for ease of use and portability. Based on my own knowledge and others who hold high esteem in the industry, the fact this in an entire set and scanned is very desirable and coveted. There is an exclusive licensing and distribution agreement in place with the Sports Car Club of America so there are no copyright violations. Please take a look at our website at www.sportscarscan.com to see samples of this valuable research tool. A copy is available for \$325 (a \$50 savings from the retail price). Please let me know if you have an interest and I will send you a discount code.
