Jaguar Club Member's Survey

JCSC Members,

It is that time of the year again - to provide your input on where our club needs to go. I think the club has had a tremendously successful year. We increased the number and diversity of monthly activities, started conducting monthly dinner meetings and established a club related merchandise program.

Additionally, we held our fourth concours and displayed our cars at the Briarhurst on Father's Day and were the host club for one of the First and Main car shows.

However, having said all of that, it is most important to ensure we are meeting your needs and expectations. The tool for collecting your input is the survey below. Please take a few minutes and tell us what you like and/or what you would like to see changed.

Mark your answers and return this survey to me no later than January 11, 2013 at jagluver2@cs.com or fax to 719.596-1031. Also, please contact me or one of the other board members if you have any questions.

Thanks and best regards, Jack Humphrey

Competition Awards

If you think you are eligible to receive an award, it is YOUR responsibility to submit a request to receive the award. If you DO NOT check your standings, the JCNA Awards Committee will not check your standings for you, and you may not receive your award.

Here is a brief overview of how to check your standings.

To check to see if you are eligible to receive an award, Go to JCNA.com. At the Home Page, click on STANDINGS. On the right side of the page, click on the Competition heading you are checking the results in. Click on View Current North American Standings. Click on the standings you want to check on, Concours, Rally or Slalom.

As it says in red text, If you are eligible to receive a competition award, Please click on your score. A list of all of your scores for the current season are displayed. When the Competition Award Confirmation page is displayed, fill out all the information, then click the Submit button. Note: You may print this page for your records after clicking on the Submit button. IF you plan to attend the AGM and want your award presented to you at the AGM, be sure to check the box above your name.

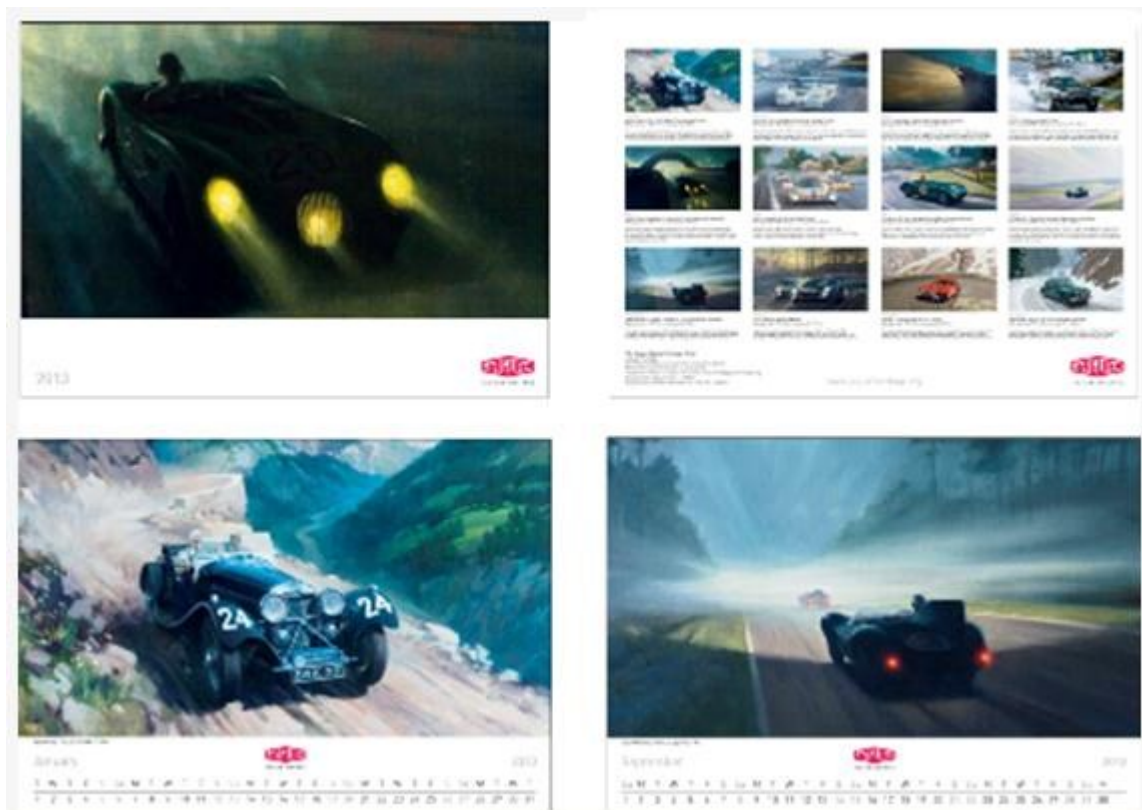

If you need more detailed help, please contact Steve Kennedy, skennedy@jcna.com. For those who do not have access to a computer, please have one of your fellow club members help you with this.

Again, the JCNA Awards Committee will not check your standings for you. If you do not claim your award for this year, it is simply put back in inventory.

Steve Kennedy, JCNA Secretary, skennedy@jcna.com

Lucas SF576 auxiliary lamps commonly use in the XK-140, XK-150 Special Equipment models.

One lamp has a fog lens and the other a spot - both are in almost perfect condition. No sand pitting in either of the lenses and the chrome is near perfect.

These are NOT repros or recent “remakes”, but rather original lamps that don’t even look like they have ever been installed.

Original Jaguar tool rolls for the XK-120, XK-140, XK-150 and E Type Series 1. All tools are of the correct manufacturers and sizes according to the Jaguar parts books - the ONLY authoritative source. Absolutely no repros ever! A selection of early saloon car tools is also available.
