

JCSC NEWSLETTER February, 2009

Greetings Everyone! Hope this finds everyone well.

MEMBERSHIP:

We currently have 25 renewing members, and 3 new members. Welcome to our new fellow Jag enthusiasts! Their names are Chris Dysart, Tom Bohley, and Nori Rost & Lorene McPherson. To our former members: I am going to continue to include you on the newsletter distribution unless you request me not to. We want you to be up to date, should you decide to renew your memberships. Please don't think that it is mandatory to attend the monthly meetings. We want to include everyone that wants to be in the club, and if you want to attend the meetings, that's great, we get to hear more voices about our club activities. But it is certainly not mandatory to attend the monthly meeting. By joining the club you get to participate in all the upcoming activities, and there are a number of driving events that will be quite a lot of fun this summer!

JANUARY MEETING:

We had a terrific event on January 20th. We had a great turnout for our potluck and bar-be-que, and of course it was great to visit with everyone. And we had a demo by Dale Francis, Body Shop Manager from the Red Noland Collision Center about paint care. It seemed everyone picked up some excellent pointers, things we just didn't ever realize. Did you know Colorado is the hail and sand damage capital of the US? And we learned it pays to keep that paint clean and in good condition: Renee Davidson had her black 2002 XKR 100 in to have pictures taken, and when Dale was asked how much a paint job ran, he pointed to Renee's car and said "one like that, about \$10,000 to \$12,000." I think I heard several people suck in their breath on that!

And meet Karma, Dave and Kelly Nothstein's four-legged friend.

Take a good look at that picture. No, we didn't give the puppy wine. But her water bowl is a wine glass! That's a pretty classy dog! I don't know about everyone else, but if our pup tried that, you'd have glass and water everywhere! And I can guarantee that Thom wouldn't let him anywhere near that XF while drinking!

The events committee met following the meeting, and we hope to have several events nailed down this month. It's going to be a fun summer with several driving events. And don't forget, we're planning our own British Motoring Festival and Concours in October. We'll need as much help as we can get from everyone on that.

Our February meeting is Tuesday the 17th at ReinCARnation. We'll have highlights from that in the March newsletter.

March meeting is March 17th at the dealership. We'll have a demo on interior care.
