CARE AND SHARE 2009

This was the boot of the Jaguar XK just prior to Christmas, 2009. We'll have exact details on the final results in next month's Newsletter. Our sincere thanks to RMJC for their assistance in our Care and Share 2009 Drive.

WELCOME TO 2010

The new year started with a delightful introduction to the new 2011 Jaguar XJ on January 7. In spite of the cold, January weather, there was an impressive turnout to get an early preview of the future of the Jaguar marquee.

Jaguar Colorado Springs presented two new sedans, one in Liquid Silver and the other in Caviar for a short but very interesting introduction. The two new cats departed immediately after the party for their next appearance in Denver. The new XJ will officially be available somewhere around April of this year. Contact Thom for details.

The January meeting of the Jaguar Club was rescheduled to coincide with the Jaguar XJ introduction. However, due to the intense interest in the new cats, no formal meeting was conducted. The normal meeting schedule will resume in February with that meeting being held on the third Tuesday of the month, February 16. PLEASE NOTE: The February 16th meeting will be held at ReinCARnation Auto., 3630 Stone Ave and will begin at 6:00 P.M.

Concours Chair: Jack Humphrey
Newsletter Editor: Don Yowell

JCNA NEWS

Our Pikes Peak Concours d'Elegance has been sanctioned by JCNA and is scheduled for October 2, 2010. If you missed our Concours in 2009, be sure to attend or even join in the 2010 event.

Rocky Mountain Jaguar Club was recognized by JCNA for having 37 days of Club Events during 2009, and for establishing a new Event, the New Member Orientation, Wine & Cheese Gathering in November of '09. Rumor is that RMJC will conduct another Orientation in spring of 2010. Sure sounds like a good idea! Our congratulations to RMJC.

The 2010 Annual General Meeting (AGM) will be held in Indianapolis IN on March 26 and 27, 2010. Details at www.JCNA.com.

The Western States Meet will be held in Santa Maria, California on April 26 through 30, 2010. There will be additional information available at any of the JSCS Club Meetings or at www.JCNA.com. Just one of many events scheduled during the Meet is a tour of Hearst Castle on April 28.
