# JAGUAR CLUB OF SOUTHERN COLORADO NEWS

The First Annual (?) JCSC Blind Driving and BBQ Bash was held at Jaguar Colorado Springs on Friday, July 19. Maybe it was the scheduling of an outdoor event that brought the much needed rain, but who cares! It was GREAT FUN and no one seemed to mind getting a little wet.

Actually there were no “Bashes” - everyone came out unscathed!

## August Event: The Holy Cross Winery

It's that time of year! Put the Holy Cross Abbey Winery Tour on your calendars. We will do our annual trek to Canon City on Sunday, August 18th, leaving the dealership about 11, arriving at the winery around noon. We'll have the tour and the fabulous lunch and wine tasting, and you'll have the rest of the day free. The cost is generally around \$20 per person, give or take a little, depending on the catering, and we'll have final price soon. But get this on your calendars! I need RSVP's absolutely no later than Saturday August 10, so the winery can turn in numbers to the caterer.

## Pikes Peak Concours D'Elegance 2013

Make sure you mark September 20 and 21st on your calendar for the annual Pikes Peak Concours D'Elegance. Festivities start Friday night September 20, with a lively cocktail party followed by dinner at Villa Restaurant in Palmer Lake. It will be a relaxed and fun way to start the weekend! On Saturday, have that Jaguar shined to the hilt, because the Concours will start at 8 am at Sundance Mountain Lodge in Monument, CO. We'll have a beautiful setting to show your equally beautiful car. After judging, there will be a drive, and that evening we'll have a scrumptious dinner at Sundance, along with the awards banquet and the ever popular auction, with Auctioneer Extraordinaire Thom Buckley.

The Sundance has given us a great room rate, if you wish to stay so you don't have to drive home after the Friday night cocktails and/or the Saturday night dinner, just call the Sundance at 719-481-6000. Offer code for the room rate of \$99.00 per night is **JAG92013.**

## Western States 2014

Tuesday Sept 2 to Saturday Sept 14, 2014, JCSC, along with RMJC, will be hosting the 2014 Western States meet at the exquisite Cheyenne Mountain Resort. The week will be filled with banquets, a drive, 2 concours, a rally, a slalom, and more Western fun than you can imagine! Make sure to plan now to attend all the events; it will definitely be a memorable time! As you can imagine, planning a huge event like Western States is quite an undertaking, but the committee is already knee deep in hashing out all the details. If you wish to assist with any aspect of the event, please contact Jack Humphrey or Larenda Hershey.

Founded in 1988, Associated Photographics is a full service commercial photographic studio, specializing in producing large, wall size (18x24 and larger) in-studio portraits of classic and collectable automobiles. They have been at the fore-front of the digital imaging revolution providing images for websites and all sorts of digital media.

The vast majority of collector car owners have accumulated numerous snap-shots of their cars. Some have compiled albums of the complete restoration process. However, the one thing most do not have, is a final finished studio photograph: A portrait that shows off the time effort and money that went into that special vehicle. This is where Associated Photographics' specialized skills and 25 years of experience really shine. Instead of hunting through poster bins at car shows, looking for one that looks like the car they own, Associated Photographics provides the opportunity to have a beautiful studio portrait of their very own "pride and joy".

## **Early XK 120 alloy/steel C4075 feeler gauge**

This is a hard to find tool-a double pivot feeler gauge with the correct .006 and .008 blades. This feeler gauge is in concours condition and an absolute necessity for the authentic very early XK 120 tool roll.

## **E Type S2 original tool roll and tools**

This S2 roll is an original item, very nice, and all of the tools are in excellent condition. The correct double bit screwdriver does not look like it has ever been used, and the tyre gauge is the correct winged style for the S2

## **E Type S3 original tool roll**

This is a complete roll with the correct Heyco AF open ended spanners and the correct winged tyre gauge for the S3. The vinyl roll is in excellent condition along with the strap.

## **XK 120 turn signal flasher C 5230**

The correct turn signal flasher unit for the XK 120 is a "Tung Sol 241/D". Another difficult to find item, this is brand new in the box.

## **"MK IV" and MK V Champion Spark Plugs L10**

This is a set of N.O.S. Champion plugs for the 3 1/2 "MKIV" and the MK V 3 1/2 cars. These are ORIGINALS in the boxes, and they have the old style black body instead of the current silver color. One set only!
