## June with the JCSC

June has been a very busy month for your Jaguar Club. Planning is well under way for the October Pikes Peak Concours d' Elegance and July and August events are being finalized.

The JCSC had a commanding presence at the 2011 Briarhurst Father's Day Show in Manitou Springs on June 19. The weather was spectacular and so were the Jaguars. New faces this year included Richard Hart with his beautiful 1969 E-Type Coupe and Al Thaut with his picture perfect 1995 XJS convertible. Jaguar - Colorado Springs provided a new 2011 XJ-L and a XKR and both were spectacular hits - proof that the new Jaguar's continue to have what it takes to attract lots of attention.

## June with the JCSC *Jaguar Club of Southern Colorado*

Who said XK's don't have leaper's on their bonnets? Tom and Donna Miller's 2007 XKR. Tom seemed a little touchy about kids with water bottles getting too close to his kitty!

The other gems glistening in the June

sunshine included Roy and Angela Winton's 2001 XK-8 convertible, Gary and Dee Kerkow's 2007 XK Coupe, Don Yowell's 2003 XK-8

Coupe and Dave and Larenda Hershey's 1995 XJ-S Coupe. Here's Richard Hart's 1969 E-Type Coupe and Al Thaut's 1995 XJ-S Convertible.

Our thanks to Larenda Hershey and the Briarhurst Restaurant for arranging such a lovely setting for our club's litter of kittens.

### And now, for something **COMPLETELY** different!

Monday afternoon (June 20) was highlighted by the FIRST EVER "rain on our parade"! The JCSC drove to the Cussler Museum in Arvada. As the group proceeded up C-470, the skies opened and the Jaguars were treated to a natural drive-through carwash.

## **June with the JCSC (continued)**

Before arriving at the Cussler Museum, our optically challenged guide lead the unsuspecting (and very surprised) travelers through the little known and seldom seen “*Landscaped Roundabout of Arvada*”, an event not soon to be forgotten (unfortunately!).

The Cussler Museum is a definite “Must see” for anyone that truly enjoys gazing upon automotive masterpieces! Allard, Duesenberg, Auburn, Cord Bentley, Rolls Royce, Mercedes Benz, Bugatti, Isotta Fraschini, Pierce Arrow, Stutz, Stanley Steamer, Marmon and Delahaye are just a few of the iconic marques represented in this fabulous collection.

In a separate area, 1940's and 50's American classics are also displayed to perfection. Rare Fords, Cadillacs, Hudsons, Buicks, Packards, Lincolns, Chryslers, Mercurys, Corvettes and many others familiar brands delight the eyes.

Following the Cussler Museum tour, the hearty travellers ventured forth in search of The Fort restaurant in Morrison (placing their trust in their GPS units rather than the aforementioned guide!).

Dinner at The Fort was fabulous and very relaxed allowing plenty of time to savor food and friends before the return trip home.
