JAGUAR CLUB OF SOUTHERN COLORADO NEWS

From The President

You missed it! The Virginia Jaguar Club recently hosted the JCNA 2013 Challenge Championship Challenge at the beautiful Richmond Wyndham Virginia Crossings Hotel & Resort on June 13-15, 2013.

Thursday, dawned sunny and warm for the rallye event with nine entrants, to include four E-Types and a brace of XK-150 OTS's. However, by the 5th stage, tornado warnings were in effect and torrential rain and heavy winds threatened to douse everyone's spirits! All cars did successfully finish despite the severe weather and an enjoyable, if a little wet, time was had by all.

The Slalom was held at Richmond International Raceway on Friday. RIR was the perfect setting and approximately 20 participants, to include David Harrison and his 1929 Austin Sport and JCNA President, Richard Maury in his 1971 E-Type Special, gave it their best against the clock. Mr. Dave Kinney, from the Hagerty Price Guide, was the guest speaker at the awards dinner that evening and he gave a very interesting talk about current trends in the high-end collector car market.

Saturday was the big day for the concours and the weather was picture perfect for Virginia – meaning very hot and humid. There were over 70 cars on the field and I counted 24 E-Types, 15 XK's, two Mark V's and even an SS100! The William Lyons Biennial Trophy for Best In Show was presented to Dean Boyden, a member of the Nation's Capital Jaguar Owners Club, for his 1961 Mark IX. Ian Callum, Jaguar Chief Designer, was the awards dinner guest speaker and he gave a fascinating talk about how he got into the car design business and the projects he has been involved with while working for Jaguar.

Andy Goss, President, Jaguar Land Rover North America, also attended all events and examples of all current models were on-hand courtesy of Jaguar NA corporate headquarters.

Look for the "official" article and a list of winners for all events and categories in the next issue of the *Jaguar Journal*. Photos taken by Karen Taylor Davis

One other thought. I know the recent Black Forest fire affected some of our club members by forcing their evacuation. To the best of my knowledge, no one was injured or lost personal property and everyone has returned home now. They are very fortunate. This incident did get me thinking about the importance of keeping each other informed about what is going on. The club leadership is truly concerned about each and every member and we hope you will keep us updated on important events affecting you. We also want you to ask for assistance when needed. It does not have to be an emergency; this notion applies anytime and anyplace.

Until next month – drive it; don't hide it! Best Regards, Jack Humphrey

JAGUAR CLUB OF SOUTHERN COLORADO NEWS

Test your driving skills on July 19

Your Jaguar club will be holding a dinner and fun event on Friday, July 19 starting at 6:00 P.M. at Jaguar Colorado Springs. The club will be providing the meat (chicken, ribs . . . Maybe something else) for the barbecue but everything else is “pot luck”. Bring your favorite dish and join in the fun.

How much do you trust your spouse? We’re going to be holding a “blindfold drive” where the driver is blindfolded and drives a course with the co-pilot giving instructions. Dixie cups are set up so you can hear the crunch if you stray off course. Of course, you’ll drive your own car so you’re already familiar with that so how can you go wrong? If you would rather bring something other than your prized Jaguar, that’s O.K., too

Please RSVP to Larenda by July 17th so we can have sufficient meat - and let me know what your potluck contribution will be.

Pikes Peak Concours D'Elegance 2013

Make sure you mark September 20 and 21st on your calendar for the annual Pikes Peak Concours D'Elegance. Festivities start Friday night September 20, with a lively cocktail party followed by dinner at Villa Restaurant in Palmer Lake. It will be a relaxed and fun way to start the weekend! On Saturday, have that Jaguar shined to the hilt, because the Concours will start at 8 am at Sundance Mountain Lodge in Monument, CO. We'll have a beautiful setting to show your equally beautiful car. After judging, there will be a drive, and that evening we'll have a scrumptious dinner at Sundance, along with the awards banquet and the ever popular auction, with Auctioneer Extraordinaire Thom Buckley.

The Sundance has given us a great room rate, if you wish to stay so you don't have to drive home after the Friday night cocktails and/or the Saturday night dinner, just call the Sundance at 719-481-6000. The offer code for the room rate of \$99.00 per night is **JAG92013**.

Western States 2014

Tuesday Sept 2 to Saturday Sept 14, 2014, JCSC, along with RMJC, is hosting the 2014 Western States meet at the exquisite Cheyenne Mountain Resort. The week will be filled with banquets, a drive, 2 concours, a rally, a slalom, and more Western fun than you can imagine! Make sure to plan now to attend all the events; it will definitely be a memorable time! As you can imagine, planning a huge event like Western States is quite an undertaking, but the committee is already knee deep in hashing out all the details. If you wish to assist with any aspect of the event, please contact Jack Humphrey or Larenda Hershey.

the Jaguar Club of Southern Colorado

Continuing our member survey, our member for June is Mel Perry.

1. Please tell us about yourself.

I am a Colorado Springs native, with 6 generations of us here counting my kids and the ones in the cemetery. St. Mary's High School, CU Boulder, CU Med, KU internal medicine residency, USAF Flight Surgeon, CU Family Med residency, practice here since 1981, founded some medical groups, retired in 2010 and enjoying it. Divorced, 3 children. Some hobbies are fly fishing and competitive shotgun shooting.

2. What is your interest in British sports cars?

My father was a motor head and we both had E-types in the day. He bought the '67 420G new from Owen Faricy motors in 1968 and it was his pride and joy. So I am refreshing the old Jag in his memory, plus, what a lovely car. I also had an MG B and fully restored a 280 SL and 356 SC Cabriolet and I'd never do that again.

3. Why did you join the Jaguar Club of Southern Colorado?

To gain info on the Jag, associate with other Cat lovers, and see beautiful cars. Moral support as well.

4. What Jaguar(s) do you own and when did you buy it/them? The Jaguar 420 G as above.

5. Why did you buy the Jaguars that you currently own?

A legacy as above.

6. Do you plan on buying any additional Jaguars in the near future?

Not at this time. I find new cars shockingly expensive.

7. What do you want to get out of being in the Jaguar Club of Southern Colorado?

Knowledge, fellowship and fun.

8. Is there anything else you would like the club membership to know about you and/or your cars?

They'll just have to learn for themselves...

the Jaguar Club of Southern Colorado

The benefits of membership . . .

Did you know that your membership in the Jaguar Club of Southern Colorado entitles you to a 10% discount on parts and service labor at Jaguar Colorado Springs? There is also a \$1000.00 cash offer towards the purchase of certain new Jaguar Automobiles available to current Jaguar Clubs of North America members (your JCSC membership includes membership in JCNA) from North American Jaguar Dealerships. Jaguar Colorado Springs will also match that offer towards a new Jaguar purchase (certain Jaguar models are not eligible for this offer, i.e. Special Edition, and Limited Edition Production models such as XKR-S, XKR-S Convertible and XJL Ultimate). For details, contact your sales or service representative at Jaguar Colorado Springs.

Founded in 1988, Associated Photographics is a full service commercial photographic studio, specializing in producing large, wall size (18x24 and larger) in-studio portraits of classic and collectable automobiles. They have been at the fore-front of the digital imaging revolution providing images for websites and all sorts of digital media.

The vast majority of collector car owners have accumulated numerous snap-shots of their cars. Some have compiled albums of the complete restoration process. However, the one thing most do not have, is a final finished studio photograph: A portrait that shows off the time effort and money that went into that special vehicle. This is where Associated Photographics' specialized skills and 25 years of experience really shine. Instead of hunting through poster bins at car shows, looking for one that looks like the car they own, Associated Photographics provides the opportunity to have a beautiful studio portrait of their very own "pride and joy".

Early XK 120 alloy/steel C4075 feeler gauge
