Saint Patrick's Day Parade, 2011

It was a bit windy and a bit nippy, but it was still fun for everyone that turned out for the St. Patrick's Day parade in downtown Colorado Springs. Dave Nothstein and his wife and family arrived in a new XJ convertible courtesy of Thom at Jaguar Colorado Springs. Dave's children proudly carried our banner while Dave lead our club's finest down Tejon Street. Those wearin' the green and drivin' the Jaguars included Roy and Angela Winton, Dave and Larenda Hershey, Tom and Donna Miller, Carolyn McCaul and her nephew, Howard and Cyndi Mumm, Gary Kerkow and Don Yowell.

Jaguar Club of Southern Colorado

The parade was very well attended and there were lots of photos taken of our beautiful Jaguars! It was truly a proud moment for the JCSC. Our thanks to Angela Winton and Donna Miller for the Irish green accessories!

That was a ferocious looking feline hanging out the passenger side of Roy's XK-8, but it sure got a lot of attention! Angela seemed to have things well under control!

After the parade, the very dry and hungry merry makers hastened west for sustenance and liquid refreshment at The Wines of Colorado in Cascade, CO. Herding eight wild Jaguars down Tejon street was a lot of work!

March JCSC Meeting

The JCSC held it's March meeting at the Marigold Café and Bakery on Centennial Blvd. Members in attendance included Ken Rogers, Dave and Larenda Hershey, Tom and Donna Miller, Roy and Angela Winton, Andrew and Norma Miller, Thom Buckley, Carolyn McCaul, Gary and Dee Kerkow, Keith Winton, Al Thaut, and Don Yowell. The dinner was excellent and the desert was fabulous - thank you, Carolyn!

Concours Committee

The JCSC Concours Committee met March 22 at Jaguar Colorado Springs. A proposal from the Crowne Plaza was reviewed and the club has decided to continue to work with that establishment for the Cocktail Party and Dinner for Friday, September 30. Menu and bar details will be negotiated. The Crowne Plaza Hotel has submitted a special rate package for Concours attendees. The details will be included in a later newsletter. RSVP for Concours registration and for the cocktail Party and Dinner will need to be received no later than September 16, 2011.

Gary has negotiated a sponsorship agreement with XKs Unlimited. They are seeking a half page advertisement in *Through the Windscreen* and have agreed to provide "goodie bags" for our Concours.

Budd has obtained information for three additional potential sponsors. The Committee will submit sponsor and support letters to these companies. Information regarding trophy plaques has been solicited from a local engraving shop. Plans for photographs of each entry are under discussion

Concours Judges training will begin around April 14 in Denver. Anyone interested in becoming a Concours judge and attending Gary George's class should contact a Concours Committee member as soon as possible so we can arrange seating at the class.

Entry fees for the 2011 Pikes Peak Concours d'Elegance have been set at \$55.00 for the first car and \$30.00 for each additional car entered. The Friday cocktail party is planned at \$15.00 per person. Dinner and drinks will be at the attendees expense.

April JCSC Meeting and Spring Cleaning

The JCSC will hold the April club meeting at 7:00 P.M. at Jaguar Colorado Springs, Tuesday, April 19, 2011. The Concours Committee will meet immediately after the regular club meeting.

The Annual Spring Cleaning and Barbecue will be held Saturday, April 23, 2011 at Jaguar

Jaguar Club of Southern Colorado

April JCSC Meeting (continued)

Colorado Springs at 9:00 A.M. Mike Beyersdoerfer from Meguiars Car Care products will attend our Spring Cleaning to lend advice and demonstrate products. If your kitty has been sitting in the garage collecting dust all winter, here's your chance to make things right and have a good lunch at the same time! The barbecue (pot luck) will be held immediately after all the cars are spotlessly clean. Please contact Larenda or me with your selections for the pot luck as soon as possible so we can make sure our menu is in order.

The Rocky Mountain Jaguar Club

Rocky Mountain Jaguar Club's Concours d'Elegance is set for July 15 through 17, 2011 at the Palmer Divide Inn in Palmer Lake. JCNA News

JCNA has several forums available at their website (www.jcna.org) that can be linked to your email address. This permits you to receive notices of pertinent information or new JCNA Shoppe products as they become available. Many items in the JCNA Shoppe are limited in availability and early notice can be a big advantage. Details at jcna.org.

The 2011 AGM is taking place as this newsletter is going to press. News and results should become available by the April club meeting so if you are interested in what's new for the Concours rules and regulations or just curious what transpired in Richmond, please be sure to attend our meeting on April 19th. We'll try to get someone from RMJC that attended the AGM to give us some updates.

It appears the 2012 Jaguar Clubs of North America Annual General Meeting (AGM) will be held in Phoenix, AZ. Perhaps the newsletter editor should attempt to obtain some AGM formation first hand next year?

FOR IMMEDIATE RELEASE

59th Annual Rallye Glenwood Springs, June 10-12, 2011

The MG Car Club - Rocky Mountain Centre invites you to join us for the *59th Annual Rallye Glenwood Springs*, the oldest continually-held time-speed-distance rally in the United States, on Friday, Saturday, and Sunday, June 10, 11 & 12, 2011.

The weekend is a marvelous opportunity, not just for MG owners, but for sports car enthusiasts of every marque—British, American, German, Italian, Japanese—to come together for sunny days, cool nights, and unique events. The fun begins on Friday with the Rallye Glenwood Springs—a time-speed-distance rally to challenge both novice and experienced rallyists. Spend a challenging, but beautiful, day winding through canyons and over mountain passes in the heart of the Rocky Mountains from the Denver suburb of Arvada to the scenic resort town of Glenwood Springs. Saturday's main event is a scenic Road Tour through the beautiful mountain valleys around Glenwood Springs. The weekend culminates with the Banquet on Saturday night and the Car Show, Funkhana, and Awards Presentation on Sunday.

Since its inception, the MGCC-RMC has sponsored the Rallye, which began when a hardy group of sports car owners discovered the joys of top-down motoring in Colorado in MGs that still had lift-off tops and running boards (see photo). The Rocky Mountains of central Colorado, with some of the most breathtaking scenery in America, formed the backdrop for the Rallye Glenwood Springs through fifty-eight previous years. Vintage and classic cars from as far away as California and Illinois have shared the twisting mountain roads with their newer counterparts for octane-related festivities. And enthusiasts have come from as far away as England to drive borrowed MGCC-RMC cars through such fabled Colorado mining towns as Leadville and Aspen on their way to Glenwood Springs.

Registration is only \$45 for all the driving events and the car show (before May 15; banquet and regalia are extra). Additional information and registration forms are available on the MG Car Club, Rocky Mountain Centre website at <http://mgcc.org/>. You can also contact Glenwood Chairman Wade Tucker at 303-915-3070, E-mail: colomgb@aol.com or Publicity Chairman Steve Hart at 303-985-2763 or E-mail: stephen_hart45@msn.com for information.

E-Type Makes the Movies (again)

Just in case you need a little more proof that the E-Type Jaguar has earned it's place in history, the Disney children's animated motion picture Cars 2 (to open this spring) will feature a 1963 E-Type Coupe named "David Hobbscap". The voice-over will be provided by none other than early Jaguar personality and former Formula 1 racing driver and Speed TV Channel sportscaster David Hobbs. We'll try to find a photograph of this historic iteration of Jaguar history and run it in this newsletter, (copyright permitting, of course).

**Catnip* is any information (or rumors) relating to Jaguar automobiles that will drive a Jaguar enthusiast "wild" with anticipation!
