May Club Meeting

The May JCSC meeting was held at Jim Verhey's ReinCARnation Auto restoration shop on north Stone Avenue. This is always a delightfully interesting place to spend a few hours. One can't help but conjure up visions of "what if"! It's also impossible to tour this facility and not realize that Jim is much more of an artist than a body man. Seeing his work in the raw makes you appreciate the little details that goes into making "just a car" into a rolling masterpiece. It also makes you realize how much work really goes into a quality restoration project.

We began the meeting by recognizing Angela Winton's birthday. She brought her always delightful potato salad to help make our dinner "just right"!

Hmmm, seems like I've seen this car before!

Jaguar Club of Southern Colorado

Gary went through a review of upcoming events then introduced Valerie Scott of the Rocky Mountain Jaguar Club for a presentation of details of their upcoming Concours d'Elegance scheduled for July 15, 16 and 17 in Monument.

Then it was off to the back room to look at all the delightful projects!. It was an entirely satisfying evening among true classic automobiles.

Upcoming Events

June 4 is the First Saturday's Car Show. This is not a JCSC event (in June anyway) but it's a fun place to spend an EARLY Saturday morning looking at other great cars. The show is in the west Dick's Sporting Goods parking lot, First and Main shopping center, North-East of Power's Blvd and South Carefree. Staging begins between 7:00 A.M. and 8:00 A.M. and the show only runs a few hours. The First Saturday's shows run through October (see page 7 for details).

June 12 will be the United Cerebral Palsy Charity Auto show at Arapahoe Community College. While not a JCSC event, this is a great show to see lots of interesting and beautiful exotic cars and a good excuse to get the car out and drive somewhere.

June 19. The Briarhurst Restaurant will be hosting the Father's Day show again this year,. This will be a JCSC attended event. Call or email me for more details.

June 20 will be the June JCSC dinner meeting which will be held in conjunction with a tour of the Clive Cussler Museum in Denver. Club members will meet at Jaguar Colorado Springs around 1:30 and we will depart from there around 2:00 P.M. Following the museum tour, we will drive to The Fort restaurant in Morrison for dinner. PLEASE RSVP no later than June 10 if you want to have dinner at The Fort as we need to make reservations as soon as possible. If you have any questions, call or email. If you need directions, also let us know.

PLEASE NOTE, there are a lot of events scheduled this summer and that schedule begins in JUNE! PLEASE Check your calendars and plan to attend as many events as possible.

Jaguar Club of Southern Colorado

Catnip

In a May 6, 2011 news conference in London, Jaguar Cars announced they would begin production of the C-X75 hybrid supercar for delivery in 2013. Jaguar spokesman Adrian Hallmark announced they would team with Britain based Williams F-1 Racing, utilizing their extensive experience in advanced internal combustion powertrains, composite structures, aerodynamics and low volume/high speed production techniques to produce around 250 C-X75 supercars between 2013 and 2015.

Williams F1, owned and directed by Sir Frank Williams, will produce handcrafted carbon fiber tubs and alloy suspensions and frameworks in it's Didcot Headquarters in England. These tubs will be shipped to Jaguar for final trim, painting and assembly.

Power will likely be from a Williams developed internal combustion 4 cylinder, 1.6 liter engine similar to the engine destined for use in the 2013 season F1 Williams racing cars. The blown engine, coupled with the electric motors originally developed for the concept version of the C-X75 is expected to produce a combined engine/electric motor output of over 775 horsepower. Performance of the completed cars is expected to be very close to that of the concept version utilizing gas turbine engines. Jaguar announced they are continuing research into turbine engine technology for utilization in future Jaguar products.

To assure true supercar status for the C-X75, prices are expected to run between 700,000 and 900,000 Pounds Sterling or around \$1.1 million dollars U.S.

More interesting little E-Type tidbit!s:

It seems that Enzo Ferrari was quoted as saying that the E-Type Jaguar was "the most beautiful car ever made". Quite a complement coming from him!

When introduced, the E-Type was priced around 2,000 pounds Sterling. A wage-indexed equivalent puts that right around \$96,900.00 today. A current production XK coupe starts at \$83,000.00.

A total of more than 70,000 E-Types were sold before Jaguar ceased production.

The Rocky Mountain Jaguar Club

Rocky **Mountain Jaguar Club's Concours d'Elegance** will be held July 15 through 17, 2011 at the **Inn at Palmer Divide**. The Inn, off Hwy 105 between Monument and Palmer Lake has 24 rooms available exclusively for Concours attendees. There is also a fine dining restaurant at the Inn. Room rates of \$117.70 (double occupancy) include breakfast and half off Sunday brunch. When calling for room reservations, please be sure to mention the Rocky Mountain Jaguar Club or else you will be told the Inn is sold out. For on-line reservations for the reservation form, go to www.rockymountainjaguarclub.org.

RMJC Calendar of Events

Here is an abbreviated schedule of the Rocky Mountain Jaguar Club's Calendar of Events for 2011.

FOR IMMEDIATE RELEASE

59th Annual Rallye Glenwood Springs, June 10-12, 2011

The MG Car Club - Rocky Mountain Centre invites you to join us for the *59th Annual Rallye Glenwood Springs*, the oldest continually-held time-speed-distance rally in the United States, on Friday, Saturday, and Sunday, June 10, 11 & 12, 2011.

The weekend is a marvelous opportunity, not just for MG owners, but for sports car enthusiasts of every marque—British, American, German, Italian, Japanese—to come together for sunny days, cool nights, and unique events. The fun begins on Friday with the Rallye Glenwood Springs—a time-speed-distance rally to challenge both novice and experienced rallyists. Spend a challenging, but beautiful, day winding through canyons and over mountain passes in the heart of the Rocky Mountains from the Denver suburb of Arvada to the scenic resort town of Glenwood Springs. Saturday's main event is a scenic Road Tour through the beautiful mountain valleys around Glenwood Springs. The weekend culminates with the Banquet on Saturday night and the Car Show, Funkhana, and Awards Presentation on Sunday.

Since its inception, the MGCC-RMC has sponsored the Rallye, which began when a hardy group of sports car owners discovered the joys of top-down motoring in Colorado in MGs that still had lift-off tops and running boards (see photo). The Rocky Mountains of central Colorado, with some of the most breathtaking scenery in America, formed the backdrop for the Rallye Glenwood Springs through fifty-eight previous years. Vintage and classic cars from as far away as California and Illinois have shared the twisting mountain roads with their newer counterparts for octane-related festivities. And enthusiasts have come from as far away as England to drive borrowed MGCC-RMC cars through such fabled Colorado mining towns as Leadville and Aspen on their way to Glenwood Springs.

Registration is only \$45 for all the driving events and the car show (before May 15; banquet and regalia are extra). Additional information and registration forms are available on the MG Car Club, Rocky Mountain Centre website at <http://mgcc.org/>. You can also contact Glenwood Chairman Wade Tucker at 303-915-3070, E-mail: colomgb@aol.com or Publicity Chairman Steve Hart at 303-985-2763 or E-mail: stephen_hart45@msn.com for information.
