From The President

Have you ever thought about why there are car or other “special interest” clubs? Most experts agree the reasons include meeting other people with similar interests, participating in activities such as social events, tours, rallies, drive-in’s, concours and slaloms, learning more about your marquee and specific model of car(s) and performing community service activities. Other reasons include periodic credits towards the purchase or lease of new automobiles and discounts on parts, service, apparel and accessories at Jaguar Colorado Springs (see page 3 in this issue).

In my opinion, here are the top five reasons to join up:

1. You are likely to meet a bunch of people who are fundamentally just like you. Chances are you'll have a lot to talk about and will end up making friends.
2. The internet is a useful tool for research and discussion, but friends on the other side of the country can't help you work on your brakes or give you a ride to pick up your Jaguar from the repair shop.
3. You can get access to specialty tools through your club as in the JCNA Tool Loan Program. If one member has a car lift in his shop, chances are you can borrow it from time to time. Then you can spend your budget on another tool that no one else has yet. Be sure to share!
4. Finding a group of like-minded people in your area will help you keep your interest in your car. This is especially true if your car is a project that may take some time before it's ready to drive.
5. The other members of the club know where to shop for parts, which shops to use and have probably seen and overcome every challenge you will face. Their experience may or may not be available on the internet forums.

So, why did you join JCSC? Hopefully, your reasons go beyond, “I received a free membership from Thom Buckley when I bought my Jaguar at the local dealership!”

I also strongly believe the club plays a critical part in this experience. The club should provide the structure, resources and activities that meet the needs of the membership. However, the leadership needs to know what you want to do and, quite frankly, we do not receive much feedback. We send out a survey at the end of each calendar year soliciting input and get very few responses. We try to offer varied activities. So far this year, we have conducted dinners, a museum visit and a parade and on June 1st, the club will be the host for the First and Main First Saturday Car Show followed by a club potluck and test driving of the new F-Type at the dealership. Are we on the mark or not? I don’t know – this is your call not mine. Think about why you joined JCSC and let me or any of the board members know what you think we should be doing.

Until next month – drive it; don’t hide it! Best Regards, Jack Humphrey

JAGUAR CLUB OF SOUTHERN COLORADO NEWS

Did you know that your membership in the Jaguar Club of Southern Colorado entitles you to a 10% discount on parts and service labor at Jaguar Colorado Springs? There is also a \$1000.00 cash offer towards the purchase of certain new Jaguar Automobiles available to current Jaguar Clubs of North America members (your JCSC membership includes membership in JCNA) from North American Jaguar Dealerships. Jaguar Colorado Springs will also match that offer towards a new Jaguar purchase (certain Jaguar models are not eligible for this offer, i.e. Special Edition, and Limited Edition Production models such as XKR-S, XKR-S Convertible and XJL Ultimate). For details, contact your sales or service representative at Jaguar Colorado Springs.

The Jaguar Club of Southern Colorado Pikes Peak Concours D'Elegance 2013

Make sure you mark September 20 and 21st on your calendar for the annual Pikes Peak Concours D'Elegance. Festivities start Friday night September 20, with a lively cocktail party followed by dinner at the Villa Restaurant in Palmer Lake. It will be a relaxed and fun way to start the weekend! On Saturday, have that Jaguar shined to the hilt, because the Concours will start at 8 am at Sundance Mountain Lodge in Monument, CO. We'll have a beautiful setting to show your equally beautiful car. After judging, there will be a drive, and that evening we'll have a scrumptious dinner at Sundance, along with the awards banquet and the ever popular auction, with Auctioneer Extraordinaire Thom Buckley.

The Sundance has given us a great room rate, if you wish to stay so you don't have to drive home after the Friday night cocktails and/or the Saturday night dinner, just call the Sundance at 719-481-6000. Offer code for the room rate of \$99.00 per night is **JAG92013**.

Western States Meet 2014

Tuesday Sept 2 to Saturday Sept 14, 2014

JCSC, along with RMJC, is hosting the 2014 Western States meet at the exquisite Cheyenne Mountain Resort. The week will be filled with banquets, a drive, 2 concours, a rally, a slalom, and more Western fun than you can imagine! Make sure to plan now to attend all the events; it will definitely be a memorable time! As you can imagine, planning a huge event like Western States is quite an undertaking, but the committee is already knee deep in hashing out all the details. If you wish to assist with any aspect of the event, please contact Jack Humphrey or Larenda Hershey.

JCSC MEMBER SURVEY

Continuing our Member Survey, for May, we feature Michael Wolfer.

Please tell us about yourself.

Lisa and I met in Austin Texas in 1985. We've been married 26 years. We have lived in Colorado for 25 years - we now live in Monument and love it. Mike is an Aerospace Engineer for Lockheed Martin working in the satellite industry. Lisa is a former teacher, and is now a flight attendant for SkyWest Airlines. We have 2 children: our son Mic (23) works in downtown Denver for an engineering firm, and our daughter Shana (19) is going to school at the School of Mines in Golden.

2. What is your interest in British sports cars?

Our very good friends have owned 2 Jaguars. The car we now own was their second Jag. They babied it to the max, so we told them not to sell it to anyone except for us. They did.

3. Why did you join the Jaguar Club of Southern Colorado?

My former boss (Jim Clark) owns a Jaguar and is a member of this club. It sounded like a great group of people to get to know.

4. What Jaguar(s) do you own and when did you buy it/them?

We purchased a 2000 Vanden Plas in February of this year.

the Jaguar Club of Southern Colorado

JCSC MEMBER SURVEY (continued)

5. Why did you buy the Jaguars that you currently own?

For the main reason I mentioned above...it was very low mileage and very well cared for.

6. Do you plan on buying any additional Jaguars in the near future?

We have no current plans, but I'm sure we could be persuaded...! I'm looking forward to the F-type test drive coming up.

7. What do you want to get out of being in the Jaguar Club of Southern Colorado?

New friends, new experiences, new doors opened.

8. Is there anything else you would like the club membership to know about you and/or your cars?

We have way too many pets: 3 dogs, 2 cats, 2 birds and half a dozen fish (outside, thank God). Our interests include 2-wheeled motor vehicles also (either on or off road).

‘Couldn’t help it - just had to add one more photo of that spectacular new F-Type!

ROCKY MOUNTAIN JAGUAR CLUB NEWS

From our friends in the Rocky Mountain Jaguar Club.....this show is a must see.

Cerebral Palsy Show - 30th Annual Exotic Sports Car Show &
Concours d'Elegance! June 9, 2013.

JCSC Members: RMJC will be at this show and will be hosting lunch! Come join us and bring a side dish and your chairs. This is a laid back fun day strolling around viewing over 500 beautiful exotic cars. No judging is required, only if you wish to compete for a ribbon!

Please register your cars early for the 30th Annual Cerebral Palsy Exotic Sports Car Show on Sunday, June 9. CP is expecting a very large turnout due to the selection of Porsche as the Featured Marque, primarily because 2013 is the 50th anniversary of the 911. But RMJC Jags will be in the Founders Circle with the Porsches as “Contemporary Cars”, and we have a couple of anniversaries ourselves; the 65th anniversary of the XK engine, shown in the XK120 at the London Auto show in 1948, and the 45th Anniversary of the XJ design. Cerebral Palsy of Colorado is the chosen charity for the RMJC, and the Club sends a representative to the Car Show planning committee every year. So let's have a great turnout for this fun filled day of cars and charity!

For details and registration information for this spectacular event, visit the CP website at:

Beaver Run is also known for having top bars and restaurants in the area. This historic town of Breckenridge offers many recreational opportunities so be sure to come early or extend your mini vacation into the July 4th celebration. The Fireworks display over Lake Dillon is spectacular! You have many nearby resorts to explore including Vail, Copper Mountain, Dillon, Frisco and Silverthorne. Choose from abundant activities such as shopping, biking, hiking, golf, ski lift rides, and alpine sliding. Bring your gold pan tricks and try your luck in nearby Placer Valley. **Bring the family for summer fun in the mountains!**

The Concours weekend fun starts on **Friday, June 28**, when you check in to your lovely room or suite at Beaver Run Resort and admire the beauty that surrounds you. Of importance to all Cat owners, everyone gets underground parking! Transportation will be provided into Breckenridge and back, or you could take advantage of the opportunity for a leisurely stroll into town. You may even decide to dine right on the mountain at Beaver Run. Go explore! No matter how far you wander, there is always shuttle service back to the hotel.

Saturday, June 29, we have planned a very relaxing Concours Day, as all activities and meals for the day are merely a few steps apart. On Saturday morning, we will drive our Jaguars literally across the street and into Spencer's parking lot reserved exclusively for our club for the day. Shine up your cat and enjoy breakfast and lunch at your leisure. We

the Jaguar Club of Southern Colorado

will have a lovely patio replete with bar and meal service provided from Spencer's all day! Plan to bring your "historic dress whites" for a very competitive round of croquet on the grounds in the afternoon right next to the Concourses and patio. As the day winds down, you will have time to relax before meeting everyone for evening cocktails and dinner together at Spencer's Restaurant.

On **Sunday morning, June 30**, we've planned a scrumptious brunch to set the stage for the Awards Presentation with beautiful views from the third floor in the Coppertop III Room. As we conclude this fun weekend and you depart, there will be proposed alternative drives home that will vary your route if you please. For those staying over the holiday weekend, the resort will honor our special discounted rates from June 24 – July 7! We hope you take advantage and bring the family for a fun vacation while playing with the Cats!

Founded in 1988, Associated Photographics is a full service commercial photographic studio, specializing in producing large, wall size (18x24 and larger) in-studio portraits of classic and collectable automobiles. They have been at the fore-front of the digital imaging revolution providing images for websites and all sorts of digital media.

The vast majority of collector car owners have accumulated numerous snap-shots of their cars. Some have compiled albums of the complete restoration process. However, the one thing most do not have, is a final finished studio photograph: A portrait that shows off the time effort and money that went into that special vehicle. This is where Associated Photographics' specialized skills and 25 years of experience really shine. Instead of hunting through poster bins at car shows, looking for one that looks like the car they own, Associated Photographics provides the opportunity to have a beautiful studio portrait of their very own "pride and joy".
