

Can you believe that summer is almost over already? Hope this finds everyone happy and well, and enjoying the last days of nice weather. How about that little cold snap and the flurry of white stuff we had? It put a little bit of a rush on the garage finishing project at the Hershey home, but that is almost done. It's pained us to have to park all the cars outside for several days, but they should be in and toasty by the end of the week.

Speaking of the end of this week.....It's time for the 2009 Pikes Peak Concours D'Elegance! We've planned and prepared for this for what seems like a year. It almost has been! If you're not registered (and why aren't you???) at least come out on Saturday and see all the cars. We've got nearly 25 Jags registered, plus it's being run in conjunction with the British Motoring Festival. We'll be at the dealership Saturday October 3<sup>rd</sup> from 10 to 2.

#### CARE AND SHARE:

We're going to do the Care and Share food drive again. Last year, we ran it for only 2 weeks, and we filled up the trunk and back of a Jag. This year, we're going to kick it off with our October 20<sup>th</sup> meeting, and run it until Christmas. We want to fill at least 2 Jags; delivery to Care and Share will happen as soon as a car is full, so that hopefully we'll have at least one delivery for both Thanksgiving and Christmas. Like all the food banks, Care and Share is seeing greater demand than ever this year. I think all of us know at least a few people who have been adversely impacted by the economic turn of events this year. Care and Share supports the community all year long, and needs all types of non-perishable food items, not just the "traditional" holiday type of food. They have need for canned meats and fish, peanut butter, canned vegetables, canned fruits, dry/canned milk, rice, beans, cereals, boxed pasta meals, boxes of mashed or au gratin potatoes, etc. Thom will have a car set up all season, and club members, dealership employees and customers can all contribute. Last year a customer buying a new car went to the store and brought back 2 sacks of food for sharing! Everyone who can, please join us in supporting this worthwhile cause.

#### SAVE THE DATE: HOLIDAY PARTY!

It's almost that time! The JCSC Holiday Party will again be at the Red Noland Infiniti Jaguar Land Rover dealership on Tuesday, December 15<sup>th</sup>, 2009. We'll start cocktails at 5:30, dinner around 6. Everyone bring a potluck dish to share. A sign up sheet will be started closer to the event. We always have a great time at our holiday party, everyone come and enjoy!

#### ELECTIONS:

It's time for officer elections too. If you want to volunteer for an office, or nominate someone, please send that name to me starting October 1. We will confirm with those nominated that they will indeed serve if elected, and ballots will go out via the membership distribution list on November 1. They will need to be back to me by November 15<sup>th</sup> unless you will be at and cast your vote at the November 17<sup>th</sup> meeting. I'll be sending out periodic emails reminding folks to nominate or volunteer, and subsequently to vote.

#### MEMBER CORNER:

JCSC welcomes new member Rebecca Plumer! We look forward to having Rebecca at our upcoming events, she is already registered for the Concours. Welcome Rebecca!

Budd Butcher is recovering from knee surgery; we hope to see him at the Concours, but we know his car will be there. Hopefully Budd will be up and kicking soon!

**EVENTS:**

In August several of us went to the Cherokee Ranch and Castle in Sedalia. If you've never been there, you would be in for a treat to make it there one day. It is absolutely gorgeous, and what a story that castle has! It would be a fun day trip with out of town guests, or are you planning a family wedding? That would be a spectacular setting. They also offer afternoon high tea, or lunch. See their website at <http://www.cherokeeranch.org/>.

On September 13<sup>th</sup> we took a mini trip to the Holy Cross Winery in Canon City. It was a cloudy, dreary, drizzly and foggy day in Colorado Springs, but absolutely gorgeous in Canon City. We had our cheese and wine tasting outside under the trees, and everyone seemed to have a really nice time.

**FOR SALE** *contact Larenda to place a sale ad*

**1992 XJS convertible. 27,000 miles, second owner. Red with tan interior, black top, chromed alloy wheels. Regularly maintained, all maintenance records available. Contact Bob Cutter, phone 719-330-9075.**
