2010 Pikes Peak Concours d'Elegance.

All those months of planning and work and suddenly, it's here. It's October 1 and the 2010 Pikes Peak Concours d'Elegance is off and running.

The event seems to take on a life of it's own and moves smoothly and efficiently; the cocktail party in a picture-perfect setting, dinner with old and new friends with lots of things to talk about and, as

quickly as it began, day one is over.

Day 2 begins very early, cool and quiet, but with that subtle underlying urgency of knowing there's plenty of work yet to be done.

Familiar faces begin arriving amid the smell of hot coffee and warm bagels. Soon, lots of beautiful automobiles grace the recently vacated parking lot. For some of these Jaguars, this event is a homecoming as this lot was once their home – a fitting place to be

judged as they continue their journey through the years and miles.

As the sun continues to rise, the British Motoring Festival also moves into full swing. Lots of British and U.K. motoring history arrives, some familiar, some new to this show, but all interesting.

10:00 A.M. and the Red Noland fire truck horn and siren announce the judges meeting and the show begins.

Each vehicle is carefully scrutinized and evaluated. Very little will get past these judges, many whom have years of

experience under their belts. There is also a group of new, less experienced judges, getting their training from some of the best.

All too quickly, the morning ends and a small group of Jaguars line up for the afternoon drive, the second of Jack's finely executed Concours parades. This year, the route is through the Air Force Academy to gaze upon mile after mile of football fan's vehicles lining both sides of Stadium Boulevard. Today it's Air Force versus Navy – an event close to the hearts of a number of the Concours participants.

After the Air Force Academy, the parade of motorized elegance heads south, to the Garden of the Gods Visitor's Center and a photo-op!

After the much needed break, the group heads through the Garden of the Gods into Manitou Springs and back to Jaguar, Colorado Springs.

The smell of barbecued beef and chicken fills the air and suddenly, it's dinner and awards time. Every one is tired and slightly sunburned, but there's a smile on each face with the satisfaction gained from a "job well done".

It's 8:00 P.M and Concours 2010 is over. It's been a glorious event in a marvelous setting with wonderful weather and great friends. Truly, another classic chapter in the Jaguar life style.

The results of the 2010 Pikes Peak Concours d'Elegance are listed at the end of this Newsletter.

AND, OUR SINCERE THANKS

An event of this magnitude could not occur and not achieve this level of success without the countless hours of dedicated work and planning by the Jaguar Club of Southern Colorado Concours Committee and the help of our wonderful friends in the Rocky Mountain Jaguar Club. We would also like to express our sincere thanks to each of the sponsors and contributors that helped make this marvelous event a success.

October JCSC Club Meeting

The Jaguar club of Southern Colorado will meet at 7:00 P.M. on Tuesday, October 19 at Jaguar / Land Rover Colorado Springs, 565 Automotive Drive, in Colorado Springs. The Club will begin work on the November Board elections and we will also begin planning the December Christmas Party (scheduled for **December 14th** this year).

If you are new to our Club or have not attended any of our meetings before (or in a while), or would like to join our organization, this would be a good time to start.

We are nearing the end of our **third** year and we would like to start year **four** with a few more Jaguar owners (or admirers) in attendance at our events and meetings. This is truly a great Club with lots of interesting members, lots of fine cars and plenty of interesting and worthwhile events (and an incredible bargain, too).

There is another good reason to join our Club now - a new membership now is good until December of 2011.

Go ahead, take the leap!

December JCSC Club Meeting and Christmas Party

Please mark your calendar: The Jaguar Club of Southern Colorado December Meeting and Christmas Party will be held **a week earlier** than in previous years. We will hold this event on **December 14th** this year. Again, details will be forthcoming.

The annual Care and Share drive held by the Jaguar Club of Southern Colorado began this year at the October 2 Concours and will continue through the Christmas Party. Please consider making a food or cash donation to this very worthwhile cause.

RMJC Christmas Party

The Rocky Mountain Jaguar Club Christmas Party will be held December 11th at Loews Hotel at Colorado and Mississippi (I-25 and Colorado). Dinner is \$48.00 per person and includes appetizer, meal and dessert. Overnight rooms are available for \$89.00. Cocktails at 5:30 P.M. and dinner around 6:30 P.M. For details please visit the RMJC webpage: www.rockymountainjaguarclub.org

JCSC Web Page
(www.jagclub.org)

Don't forget to check out our Club web page. This is a great source of archived as well as current information. Matt is continually updating the site to include additional information that details a lot of topics just touched upon in the Newsletters. It's also a great place to check for "last minute" changes to upcoming events.

Also, don't hesitate to contribute photos or articles to Matt for the web page (or for the Newsletter). It's a good way to help keep our Club new and interesting.
