## From the President - Concours 2013

It's a wrap - the fifth annual Pikes Peak Concours d' Elegance is history and it was a tremendous success. My thanks go to the Concours Chair, Larenda Hershey and the Planning Committee members - Gary Kerkow, Dave Hershey, Keith Winton, Don Yowell, Cyndi & Howard Mumm, Budd Butcher and Thom Buckley for all of their hard work in making this year's event the best ever!

We also want to thank the JCSC and RMJC participants. Without you, there would be no concours! The official results are shown on page 5 of this newsletter.

Until next month - drive it; don't hide it! Best Regards, Jack Humphrey

## Western States Meet - 2014

Tuesday Sept 2 to Saturday Sept 6, 2014, JCSC, along with RMJC, will be hosting the 2014 Western States meet at the exquisite Cheyenne Mountain Resort. The week will be filled with banquets, a drive, 2 concours, a rally, a slalom, and more Western fun than you can imagine! Make sure to plan now to attend all the events; it will definitely be a memorable time! As you can imagine, planning a huge event like Western States is quite an undertaking, but the committee is already knee deep in hashing out all the details. If you wish to assist with any aspect of the event, please contact Jack Humphrey or Larenda Hershey.

# Pikes Peak Concours D'Elegance 2013

We opened Concours festivities with a terrific dinner at the Villa Restaurant Friday night, September 20. It was a wonderful opportunity to catch up with friends and visit before the competition began!

Saturday morning dawned bright and clear, and by the time I rolled in about 7:20, the registration table was already set up and Cyndi Mumm was manning it. We got Budd Butcher to "volunteer" to finish stuffing goody bags with the late UPS arrival that was on our doorstep Friday night after the dinner at the Villa. Thanks to the early arrival of Cyndi and Howard Mumm, Jack Humphrey, Steve and Deanie Kennedy, Don Yowell, Budd Butcher, and Al Thaut, everything was humming along smoothly by the time the entrants started rolling in. Everyone had time to prep their cars, and at 10 AM Chief Judge Jack Humphrey called the judges meeting. Judging went smoothly, and before you knew it we went to lunch and a few folks went on the beautiful afternoon drive, lead by Gary Kerkow.

Kennedy's, Mumm's, Jack, and Don helped set up the auction and awards tables. And at 5 PM we started the cocktail hour, with everyone recapping the wonderful day. Dinner was a lovely buffet prepared by Sundance Mountain Lodge, and everyone had their fill of beef tenderloin, chicken, fish, and all the trimmings. We had a beautiful, yummy Jaguar cake for dessert, then it was on to awards. For the 5 "special awards" the recipients were given a trophy along with a special cake just for them. Gary and Dee Kerkow won both the Best in Show and People's Choice Award; Best in Show was their 2011 XKR, and People's Choice was their stunning 1958 XK 150. Deb and Mike Ramirez won Furthest Trailered with their 1969 Series II E type; Art Stricker won Furthest Driven with his 2004 XK8R. Mumm's won the distinguished "Broken Cat Award" due to their accident and the insurance company calling the car a total loss. Later Howard gave a beautiful speech to explain just what the loss of their beautiful car meant to them, and how it has affected him and Cyndi. We are all just thankful Howard wasn't injured in the accident, and we are sure they will be back on the circuit next year with an even more marvelous replacement!

After the awards, it was time for the ever popular auction, lead by Auctioneer Extraordinaire Thom Buckley. This is truly a "don't miss" event, and Thom makes it a lot of fun. If you've never been to one....just know, don't blink, scratch an ear, or squirm in you seat, or you may have just bid on something!

After that, we called it a wrap, and I think we have to call the entire day a huge success. Thanks to all of the planning committee and helpers. Next year is Western States, which will be an opportunity for many folks in the club to help us make the entire week a success. We'll be sending out the "call to arms" soon, so please be thinking about where you can help. We'll need slalom helpers (timers, starters, judges) Concours helpers, (the usual, judges, set up, registration, etc) and rally helpers (manning stops, timers, etc). It will be a lot of fun, so please plan to attend and to help your club.

### The heart of the matter

Sometimes in the rush to get a Jaguar show set up we tend to forget that our shows are high visibility events and that we really can impact others outside our circle. We may all enjoy the beauty of a Jaguar, but so may some non-owners and what we do can be a defining moment in the life of someone outside our clubs.

In the course of setting up the 2013 Concours d'Elegance on Friday evening, the Event Coordinator for the Sundance Lodge, Renee Davis, came out to help Larenda unload and move the mountain of materials into the meeting room. Renee mentioned that she LOVED Jaguars and when she was in high school, her sister's boyfriend had picked her up one time in his Jaguar. Since then she has always wanted a Jaguar. When she came out to look at the cars at our show Larenda told her that she had to pick her favorite choice for the People's Choice award. Renee didn't know that Larenda had decided to ask the owner of the car of her choice if that owner would take her for a ride - Renee picked Mike and Deb Ramirez's Series II E-Type. At lunch on Saturday, Larenda asked them if they would give

Renee a ride after the show. They gladly obliged and she got to ride in their absolutely stunning car. On Saturday night the club gave her a Jaguar hat and made her an "Honorary" JSCS member. She says it is a ride she'll never forget!.

Our thanks to you Larenda!

### **Early XK 120 alloy/steel C4075 feeler gauge**

This is a hard to find tool - a double pivot feeler gauge with the correct .006 and .008 blades. This feeler gauge is in concours condition and an absolute necessity for the authentic very early XK 120 tool roll.

### **E Type S2 original tool roll and tools**

This S2 roll is an original item, very nice, and all of the tools are in excellent condition. The correct double bit screwdriver does not look like it has ever been used, and the tyre gauge is the correct winged style for the S2.

### **E Type S3 original tool roll**

This is a complete roll with the correct Heyco AF open ended spanners and the correct winged tyre gauge for the S3. The vinyl roll is in excellent condition along with the strap.

### **XK 120 turn signal flasher C 5230**

The correct turn signal flasher unit for the XK 120 is a "Tung Sol 241/D". Another difficult to find item, this is brand new in the box.

### **"MK IV" and MK V Champion Spark Plugs L10**

This is a set of N.O.S. Champion plugs for the 3 1/2 "MKIV" and the MK V 3 1/2 cars. These are ORIGINALS in the boxes, and they have the old style black body instead of the current silver color. One set only!
