JCSC HOLIDAY NEWS!!!

A FINAL REMINDER!!!

HO HO HO!! December 14th, 2013 is the JCSC Annual Christmas Party! Get your festivity on with your Jag Club!

5 PM cocktails, 6 PM dinner. The club will provide the meat, everyone bring a side item such as veggie, dessert, salad, etc., and we'll all have a very Merry time!

After dinner we'll have the gift exchange....each person who wants to participate in the gift exchange, bring a wrapped Jaguar themed gift, price limit \$20. There will be quite a bit of stealing going on, so be prepared for a lot of laughs!

Please RSVP to Dave and Larenda Hershey, dpljhershey@Q.com, 719-594-0066 by Tuesday December 10th, and please include the potluck dish you are bringing.

Richard Hart's 1969 Jaguar E-Type

I purchased my 1969 E type Coupe in 1991 as a “rolling restoration” when looking in the Classified ads in the Milwaukee newspaper. Yes, at that time you could still find E Types for sale in the newspaper! I called the number and discovered the owner to be a resident of Green Bay, my hometown and a family friend since grade school. It was easy to trace the previous owners as they too were family friends .

The body needed some work but she was retrofitted with three SU's and the engine was strong with 50 PSI. In 1999 I had a bare metal body restoration but the engine and transmission remained intact. When rebuilding any system I have tried to include upgrades, some of which include stiffer springs and Koni shocks in the rear end, poly bushings, stainless steel brake lines, exhaust headers with Ansa tips, and electronic ignition . I have never done anything to the engine (original) and finally just about a year ago had the engine inspected and found the valve clearance to be fine as well as the oil channels to be chamfered. I talked to the previous owners about an engine rebuild several owners ago and “factory spec, balanced and blueprinted” were thrown out but have never had any solid proof of such. She runs like a charm and I drive her weekly, weather permitting, up highway 83 to Franktown and back.

JCNA NEWS

JCNA Trophy Confirmation

After December 1st, all competition scores should have been posted on the JCNA site and you should be able to view all the standings on the JCNA.com Standings page.

To see the Standings, go to jcna.com, click on the Standings link, then click on the 2013 Results and Provisional Standings to check your scores. Under 2013 Final Standings / Competition Awards, select from one of the following: Concours (North American) | Concours (Regional) | Rally | Slalom. Scroll down to locate your name. For North American Standings, if you have placed 1st, 2nd or 3rd, your name should be displayed. Click on your score. You should then see the list of the concours you attended. Below your list of events you have entered, you should see “click here to confirm data for your award order”. You will be required to enter your address and other contact information. Please be sure to include your email address, it is not automatically included. If you do not include it, there will be no way for you to receive an email from JCNA with further details.

Each entrant is responsible for confirming their concours, rally and slalom scores. This is because some people move and some information may have been incorrectly entered after the events you attended and that is why JCNA does not just automatically send out trophies to everyone listed on the web site.

After your information has been received by the trophy committee, it will be posted on a link from the AGM page (That is because that page can quickly update by the trophy committee.). You should also receive an email within 48 hours of confirming your information. If you do not include your email address, there is no quick way to contact you. If you do not receive an email from the trophy committee, they have not received your information.

When you complete the confirmation information, one of the questions is, do you want to receive your trophy at the AGM, that means you must attend the AGM, or do you want to have it shipped to you. All trophies that we have received information for, will be either shipped to the AGM for presentation or shipped out just before the AGM. Any trophy confirmations received after that will be processed the end of each month and you should receive your trophy three weeks after that.

Western States Meet - 2014

Your JCSC, along with the RMJC, will be hosting the 2014 Western States meet at the exquisite Cheyenne Mountain Resort from Tuesday Sept 2 to Saturday Sept 6, 2014. The week will be filled with banquets, a drive, 2 concours, a rally, a slalom, and more fun than you can imagine! Make sure to plan now to attend all the events; it will definitely be a memorable time! As you can imagine, planning a huge event like Western States is quite an undertaking, but the committee is already knee deep in hashing out all the details. If you wish to assist with any aspect of the event, please contact Jack Humphrey or Larenda Hershey.

FROM THE PRESIDENT

The results are in! The 2014 Board of Directors election was held on Tuesday, November 19th and I am pleased to announce the results. Larenda Hershey, current Vice President becomes President; Don Yowell, current Secretary, becomes Vice President; I become Immediate Past President; Chris Brewer becomes Secretary and Thom Buckley remains club Treasurer.

The appointed positions are Membership Chair: Thom Buckley and Events Chair: Dave Hershey.

Many thanks to everyone who agreed to stay on in one capacity or another, to Chris Brewer who graciously agreed to become club secretary and to all of the other club members who participated by voting.

One other thing - please consider attending the club's annual Holiday Potluck on Saturday, December 14th. This is your last chance to join your "JCSC Friends" and celebrate the old year and welcome in the new. Larenda will send the details by email. Debbie and I hope to see you there.
Best Regards, Jack

Laika's Cradle

Greetings Jag crowd: Remember “Nebulon” in last month’s Newsletter? I named this sculpture “Laika’s Cradle” after the pup the Soviets shot into space aboard Sputnik 2. It resembles a satellite with velocity stacks. I was told it looks like a rocket ship so I figured “Why Not!” So I am currently building a rocket ship, Buck Rogers style, so stay tuned for next month’s publication.
