## JCSC NEWS

### “Now Hear This!”

Happy New Year! And what a year it will be for your Jag Club.

You get to start it all off with a new President. I'm delighted to be here, and certainly thank all the Past Presidents, Roy Winton, Gary Kerkow, and Jack Humphrey, for all they have done to get our club started and keep it going and keep it interesting. Jack, you certainly leave very big shoes to fill, I hope I can do at least half the job you did!

Many of you know me, so I'll save you the introduction. But I'd like to introduce the rest of our 2014 Board, both elected and appointed positions. Don Yowell is Vice President and Newsletter Editor, Chris Brewer is Secretary, Thom Buckley is Treasurer and Membership Chair, Dave Hershey is Events Chair, Dan Martin is our Webmaster, and Jack Humphrey is Past President.

Of course, by now you MUST have Western States on your calendar, right? That would be September 2nd through 6th. Some of you have volunteered to help, and some of you....well, we will be tapping you on the shoulder soon! We are currently working on the whole plan; there will be 2 concours, 2 awards banquets, a rally, a slalom, and numerous dinners. We hope to be entertaining about 200 of our closest friends from Jag Clubs across the nation, as well as Canada and Mexico.

At our meeting on January 21st, the board will begin the task of setting up all of our activities for the year. If there's anything you want to add, please let a board member know. Also, if you'd like to help by arranging or setting up at least one of the monthly activities, that would be greatly appreciated. Most of the board is involved in Western States planning, so anything anyone else is willing to do will be terrific. You can set up one of our monthly dinners, or arrange any of our planned driving events. Just let one of us know!

I hope you have had a chance to check out our newly designed web page, all done by our new Webmaster Extraordinaire, Dan Martin. Check it out at [www.jagclub.org](http://www.jagclub.org). There is also a new Facebook page, which was designed by Lance Medina, who works for Thom at the dealership. It is accessible from the website, or at [www.facebook.com](http://www.facebook.com), Jaguar Club of Southern Colorado.

As we close, I plan to include a picture of our four-legged family member in each newsletter. It seems Buddy is the center of our universe, and he likes it that way! He pretty much rules our household; we like to say he lets us live here. He is an English Springer Spaniel, and he will be 7 in March. Though at times you'd think he's still 2; he can be pretty ornery!

Til next month.....Have a purr-fect day!

## Annual General Meeting 2014

**2014 AGM April 4-6 – A Weekend Jaguar Party**

*By Dennis Eklof  
JANE 2014 AGM Committee Chairperson*

We at the Jaguar Association of New England are excited about hosting the 2014 JCNA AGM, and we are pulling out all the stops to make it a really fabulous AGM and a great weekend party. And our plans are not just for the delegates, but also for the delegates' partners and for the general membership of all JCNA clubs across North America. Many of JANE's members have attended past AGMs -- my wife, Prebble, and I have attended six of the last seven, both as delegates and as observers -- and we have all always enjoyed getting reacquainted with members from distant clubs we have met before, and meeting new people from across the JCNA world. We have also enjoyed the events surrounding the business meetings as well as attractions in the surrounding areas.

We had all these things in mind when we began thinking what a great venue Boston would be for an AGM, and JANE's BOD agreed, so JANE is the host club for the 2014 AGM. We have great support throughout the JANE membership, and our many committee members have been planning since early 2012 for an event that we like to think of as a weekend-long Jaguar party, with something to appeal to all JCNA members, whether they are delegates for the General Meeting, their spouses, or observers.

Of course Boston is one of the premier tourist cities in the country, with its rich historical and cultural background, magnificent harbor, and world-renowned education institutions, so we had a head start in making this a very special AGM. And we plan to help everyone attending the AGM take advantage of the many things Boston has to offer.

Our center for the event will be the recently renovated Hyatt Regency Hotel in Cambridge. While incorporating the atrium style for which the Hyatt chain is known, this hotel features a unique pyramid architectural style, and all rooms in our reserved block have outstanding views of the Charles River and the Boston skyline.

Located in Cambridge, just across the Charles River from downtown Boston and its hip Back Bay area, you will truly be in the heart of the Boston experience. Maybe you or your spouse would like to take a duck boat tour of our city, or stroll along Newbury Street and its many fine shops, visit some of the historic spots that helped form our nation, or take in some of Boston's fine art museums. Within minutes of Logan Airport, downtown Boston, MIT, Harvard Square, Faneuil Hall, Quincy Market, and a host of other attractions, our hotel is an excellent jump-off point for getting to know Boston. And we will help make that easy. In fact we already have! We have arranged for AGM attendees to have the option to extend their stay to as many as six nights at our very attractive deeply discounted rate of \$169 per night.

# JCSC NEWS AND EVENTS

One of the delightful things we get to do after the concours every year is present the thank you gifts. We present these to the major sponsors, and usually the venue where we had the event. This year, on November 22, Dave, Jack Humphrey and I got the pleasure of presenting 2 of this year's gifts.

Chris Powell of Allegra Printing has been our go to person for the last 4 years or so for all of our printing needs. We've come to rely heavily on her. This year, Yours Truly made a pretty major typo on the flyers, and it wasn't caught until all 100 of them were printed. Chris did a reprint for us for free! And no, it wasn't a typo she should have caught; of all things I mis-spelled concours! So we presented Chris with a collection of Colorado wines, since we had an inside scoop from her brother-in-law, our own Don Yowell, that she was partial to wine. Hopefully we'll see Chris and her husband Steve (Don's brother) at future events!

Then we went on to Sundance Mountain Lodge, where we met up with our new friend Renee. Many of you remember her, she's our honorary Jag Club member! She's the one who got to ride in Mike and Deb Ramirez's E type. We had a good time catching up with her, and as you can see in the photo, she was delighted with the framed poster of her second favorite, Gary and Dee Kerkow's XK150.

It's always so much fun delivering thank you gifts, and this does "officially" close our 2013 Pikes Peak Concours D'Elegance. See you all next year at Western States!

# JCNA Trophy Confirmation

After December 1st, all competition scores should have been posted on the JCNA site and you should be able to view all the standings on the JCNA.com Standings page.

To see the Standings, go to **jcna.com**, click on the Standings link, then click on the: **2013 Results and Provisional Standings** to check your scores.

Under **2013 Final Standings / Competition Awards**, select from one of the following:

**Concours (North American) | Concours (Regional) | Rally | Slalom.**

Scroll down to locate your name. For North American Standings, if you have placed 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup>, your name should be displayed. Click on your score. You should then see the list of the concours you attended. Below your list of events you have entered, you should see “click here to confirm data for your award order”. You will be required to enter your address and other contact information. Please be sure to include your email address, it is not automatically included. If you do not include it, there will be no way for you to receive an email from JCNA with further details.

Each entrant is responsible for confirming their concours, rally and slalom scores. This is because some people move and some information may have been incorrectly entered after the events you attended, and that is why JCNA does not just automatically send out trophies to everyone listed on the web site.

After your information has been received by the trophy committee, it will be posted on a link from the AGM page. (That is because that page can quickly update by the trophy committee.) You should also receive an email within 48 hours of confirming your information. If you do not include your email address, there is no quick way to contact you. If you do not receive an email from the trophy committee, they have not received your information.

When you complete the confirmation information, one of the questions is, do you want to receive your trophy at the AGM, that means you must attend the AGM, or do you want to have it shipped to you. All trophies that we have received information for, will be either shipped to the AGM for presentation or shipped out just before the AGM. Any trophy confirmations received after that will be processed the end of each month and you should receive your trophy three weeks after that.

Note: Trophies will be shipped around the middle of March. Any trophy confirmations received after that will be processed the end of each month and you should receive your trophy three weeks after that.

For club members who do not have computer access please have one of your club members submit it for them. Someone must have computer access to see where winners are in the Standings.
