## From the President

Hey all you Jaguar enthusiasts!

Spring is springing! We're finally getting some buds on the bushes and tree in the front. Before you know it we'll be having 90 degree days!

We had a great time at Edelweis this last week. Good food, good company, good service, all around a great time.

Get those cars shined up, we are going into the busy season! Watch for a "how to get your car concours ready" shop on [May 17](#) put on by your board and judges. Everything you need to know about how your car will be judged. We'll also do a judges refresher course that day, and judge some cars as practice. This will get you ready for both the Cussler Museum Concours put on by RMJC, as well as (of course!) Western States. Before you know it you'll be taking home the "Best in Show" award!

Remember, we're here for you. Let a board member know of any ideas you have for an event or activity.

Til next month.....*have a purr-fect day!*

*Larenda Hershey*

"I'm Just layin' low and lettin' the squirrels get overconfident!"

## *Jaguar of the Month*

In the mid fifties, I was a young airman stationed at RAF Bentwaters in England. In 1955, I was dating Angela, who became my wife later that year. On Saturdays, she wanted me to meet her as she got off work. That meant I had to take a bus that got me there a couple of hours early. I soon found the Jaguar dealer at the top of High Street in Ipswich, where I spent hours drooling over the Jaguars. I was especially drawn to a baby blue XK140

Coupe. As I said before, I was riding the bus, so you know I couldn't afford ANY car, much less a Jaguar. However I did fall in love with them, and desired to own one ever since.

After retiring from the Air Force, I worked for Hewlett-Packard where I participated in the 401K program they had. After another 20 years, I retired from HP. Then I found this 2001 XK8 and decided I really had to have it, so I removed the money from my 401K and bought it in 2004. I have enjoyed it ever since, and have been reasonably successful showing it at the local Concours. It drives as well as it looks, and I anticipate my son Keith inheriting it when I am no longer around.

## JCNA News

From George Camp - Well Jaguar NA has once again blessed JCNA with a large shipment of materials redundant to their needs. There are several new large format internal Jaguar publications that this writer had not seen before. These will be much more rare than the E 50 books! We have offered them at a reasonable price but there are not many of them.

Tell you what--as long as supplies last each order over \$25 (w/o shipping cost) will receive a XJ12 press kit and any order over \$50 will get a formula one press kit for free.

Guys you need to take a look at some of this stuff if you have one of these models or if you collect literature. All I could say on some of it was ---WOW!!!!!!!!!!!!!! I esp. liked some of the historical pictures included.

Tell your members to check it out and remember if you are signed up for shoppe news you will be alerted first!!!!

# JCSC Website News

This is a repeat of the February article on the JCSC website - in the event anyone missed that one. If you want to know “whats going on” with your Jaguar club, check the web page.

## JCSC Website: **JagClub.org**

By Dan Martin

Hello. I am one of your two webmasters. Many of you met me at the Holiday Dinner Party last December – I was the fellow annoying everybody taking pictures all over the place. I’ve had a lot of fun redoing your website and thought I’d explain a few features that I hope will become popular with you.

The most important feature, really the key to everything else having to do with your site, is the contact information that you can access from the site’s homepage, **JagClub.org**, itself. Look for the **Contact Page** link under the **Club Information** section of the home page, **JCSC**. Simply click on any of the emails in that table to send your message directly to the appropriate key person for your club. You will find me in that table listed as Webmaster and that is probably the easiest way to send me anything. Lance Medina, who focuses on JCSC’s Facebook page, automatically gets a copy as well. Please let us know what you like, dislike, or would like to see changed regarding this website or the JCSC Facebook page.

While we are talking about sending me things, do you know that your site now includes a **Classified Ads** page? If you have something you want to buy, trade, or sell, create an ad and send it to me just as if I were your local newspaper. As long as I can understand it and, of course, don’t find it offensive, I’ll post your ad to your site’s **Classified Ads** page. Please don’t look to **JagClub.org** to act as your broker, agent, or to handle your transactions.

You are encouraged to have me place your ads there, and I’ll be happy to. Just be sure to include your contact information along with pictures, diagrams, etc., as appropriate. If you are wondering if there is a word or image number limit for these ads, yes, but it is high enough that you likely don’t have to be concerned about it. I have ways of getting you what you want.

How do you find that **Classified Ads** page, or other pages that interest you? You have six easy ways to navigate around your site. You may be most familiar with the scheme most websites have been using, the menu usually across the top of the page. You have that on **JagClub.org**, too. In addition to those top-level menu items you see there, you will find that placing your cursor over **News & Notices** causes a submenu to drop-down and become visible, and **Classified Ads** is at the bottom of that submenu.

# JCSC Website News

## JagClub.org (continued)

I said you have six ways to navigate your site. That top menu is one. The other five are located in the far right column of most every page, currently excepting only the homepage, **JCSC**, **Event Calendar**, and **Jaguar Clubs of N. Amer**. Probably the most convenient of these five is the search box at the top of the column. If you enter **western states** in that search box, for example, you will bring up for display all posts containing that phrase.

The other sections of that column on the far right enable you to select (1) posts recently posted, (2) posts organized by category, (3) posts organized by the page on which they occur (think file drawer for page), or (4) archived posts. Counting the search box and the menu across the top, you have the six easy ways that I mentioned above.

Let me call your attention to the **Member's Cars** category. You may have seen the Jaguar of the Month feature in your club's newsletter. If you haven't, please bring up **JagClub.org** and select **Newsletters** from that drop-down menu under **News & Notices**, or select **Newsletters** from the **Categories** section in the right-most column. Select the **JCSC-Jan2014-Newsletter** link to display a PDF file of that January 2014 edition of your newsletter and check out the January Jaguar of the Month article.

We'll be highlighting one member's Jag each month with articles like this in the newsletter and with a slide show in the **Member's Cars** category on **JagClub.org**. I hope you think that's cool! Let us know (me, Don, Lance, or any club officer) if you would like to get your Jag or Land Rover scheduled for this feature. Lance Medina is the keeper of that schedule, but any of us will be glad to help get you on it.

Well, that's probably quite enough for now. I hope you have fun surfing your site, JagClub.org, and please don't be bashful about letting me know how I might make it better for you -- more informative and more useful.

Your Webmasters
