From the President

We pause to mourn the passing of Larenda Hershey, 2014 President and one of the founding members of our club. Larenda, probably as much as anyone was the face of the Jaguar Club of Southern Colorado, planning arranging and coordinating events, dinners and drives and personally greeting each and every guest, member or not, at nearly every club function. She will be missed.

JCSC News

The May Board of Director's Meeting of the JCSC.

The Board of Directors of JCSC were honored to have three executives of Jaguar Land Rover North America attend our May meeting for a briefing on the September Western States Meet.

Viewing Jack's Power Point presentation on the Western States Meet, from the left, Keith Winton, the special guests from Jaguar Land Rover North America, LLC, Western Region Vice President Eric Johnson, Market Manager, Sales, Dennis Lassiter, and Aftersales Market Manager Steve Sabo. On the right side of the table, Jack Humphrey, Don Yowell, Chris Brewer and Budd Butcher.

In the lower right corner is the newest member of JCSC, Michael Borders.

Jaguar of the Month

Never one to turn down a challenge Budd Butcher acquired a beautiful 1988 Jaguar XJS Coupe with the marvelous 5.3 liter V-12 engine.

Budd acquired this beast from the back of a flatbed tow truck. Since this ignominious introduction, He has installed a new ignition wire set, plugs, distributor cap & rotor. He also had the fuel tank cleaned and pressure checked, replaced all filters and fuel control unit and front shock bushings, rear brake rotors, calipers and pads.

Alas, this vintage cat is not destined to spend much time in Budd's collection. He has to find space for another project car, a C-3 Corvette (which we'll further explore in the pages of Through the Windscreen at some future date).

If you find this beauty appeals to your interest of anything Jaguar, give Budd a call.

This XJS is **for sale!**

Jaguar Heritage

E-TYPE LIGHTWEIGHT

DATE: May 14, 2014
MODEL: E-type
SUBJECT: Lightweight E-type Re-creation

INTRODUCTION

In 1963 Jaguar began a production run of 18 special Lightweight E-type racecars; only 12 of the 18 were produced, the last being delivered in 1964. This left 6 chassis numbers dormant for the next 50 years. Now, the Heritage division of Jaguar is going to build the last six remaining Lightweight racing E-types.

DETAILS

- Jaguar is building six brand new 'Lightweight' E-types – the 'missing' six Lightweights that were never built from the original intended 18-car series.
- This is the first ever 're-creation' project from Jaguar; the all-aluminum cars will be assigned the six remaining chassis numbers which were originally allocated in 1963.
- All six vehicles will be built as reproductions and to the specifications of the original 12 cars first produced in 1963.
- The new cars will be hand-built in-house by Jaguar. Each car will be constructed to the specifications of their original 1960s forebears, including the 3.8-liter straight-six engine.
- The original Lightweight cars weighed approximately 250lb less than a standard E-type, thanks to an all-aluminum body and engine block, a lack of interior and exterior trim and a host of further weight-saving features.
- The first new Lightweight E-type will make its public debut later this summer; further information will be released at that point.
- Information on global allocation to markets around the world has not been released at this time; for additional information please contact Derek Weale at the number or email below.
- As a racecar, any Lightweight E-type imported into the US will not be street legal.

MEMBERS: Gerald Ellison - Chair - gellison@jcna.com , Robert Stevenson & Mark Stephenson

TO: President, *JAGUAR CLUB of SOUTHERN COLORADO*

Well, it is again that time of year for those individuals who would like to step up to the next level of their interest and dedication to the **Jaguar Clubs of North America**, and consider seeking the office of **Regional Director** and serving on the Board of Directors of **JCNA**. The nominations are now open for each of the six regions of **JCNA** for the **2015 - to- 2017** two year term of Office. Nominations must be made in accordance with the **JCNA** Bylaws - (as stated below)- by submission of a duly completed "**Nomination for Regional Director Form**" - found in the **Library** link on the **JCNA.com** web-site, and mailed (or faxed) to me **AND** Deanie Kennedy - **JCNA** Administrator - before **AUGUST 1st, 2014** --- (*only 2 months away !!*).

Fortunately, your current Regional Director - **Rob van Westenberg**- has agreed to again seek the nomination for **JCNA** Regional Director of the **South-West Region**.

However, this does not preclude the nomination of someone else to also seek this position. If you - as President of the **JCoSC**. - know of someone in your Club who would be interested in serving on the Board of Directors - as a Regional Director of the **S-W Region** - the Nominating Committee would welcome your recommendations and help in recruitment of any such interested and qualified candidates for your Regional Director.

I won't bore you with the details of the Requirements of Nomination or the Duties of a Regional Director - as this information can be found in the in the **JCNA By-Laws** at : <http://jcna.com/library/BYLAWS.pdf> . (Articles IV and VI deal with Meeting and Directors). As there are currently great endeavors being made to reduce the need for the Fall B-o-D Meeting thru electronic communications - some basic Computer knowledge in e-mail usage & communication is therefore required.

For your convenience, I have attached a copy of the "**Nomination for Regional Director Form**" * So all **YOU** have to do is "down-load" and print the Form; get it signed by two Club Officers; have it counter-signed by the Candidate; and mail or fax it back to:

Gerald Ellison

Fayetteville, NC 28309-1721

OR Fax #: [910-867-1679](tel:910-867-1679)

JCNA News

From George Camp - Well Jaguar NA has once again blessed JCNA with a large shipment of materials redundant to their needs. There are several new large format internal Jaguar publications that this writer had not seen before. These will be much more rare than the E 50 books! We have offered them at a reasonable price but there are not many of them.

Tell you what--as long as supplies last each order over \$25 (w/o shipping cost) will receive a XJ12 press kit and any order over \$50 will get a formula one press kit for free.

Guys you need to take a look at some of this stuff if you have one of these models or if you collect literature. All I could say on some of it was --- WOW!!!!!!!!!!!!!! I esp. liked some of the historical pictures included.

Tell your members to check it out and remember if you are signed up for shoppe news you will be alerted first!!!!
