**Presenting the New  
Mercedes Benz SCL 600**

**Pretty, isn't it?**

**So, what's different about this car? Next page,  
please.**

**Not visible here...**

**Not this...**

**NOR even this...**

**Here is the real difference**

**WHOA! No steering wheel! No pedals either!**

**You drive this car with a *joystick*. Do you think that you can drive a car with a joystick? I'd bet your kids and grandkids can.**

**The influence of video games in our lives has really arrived, wouldn't you say?**
