XKSS Continuation Model Customer Contact

MARKETING  
BULLETIN

23-MAR-16

No.: JMG116-27

Section: GENERAL  
INFORMATION

Market: USA

The Jaguar Land Rover Classic division of SVO has just announced they will be building nine new Jaguar XKSS models to replace those lost in the fire at the Brown's Lane factory in 1957.

The XKSS were essentially road-going versions of the Le Mans-winning D-Type race car, and in the US are most closely associated with their most famous owner, Steve McQueen.

If you have a client that is interested in one of these XKSS models, please **contact your Market Manager** and provide them your **client's contact information** (name, email, phone number). A representative from JLR Classic will then contact the customer directly.

Please note:

- Only nine copies will be available worldwide
- Price has not been announced but it will be over £1 million
- These vehicles are not street legal
- Sales will be directly through JLR Classic division in the UK

A copy of the press release from JLR Classic division is below.

If you have any questions please contact your Market Manager or me.

Tim Philippo

# JAGUAR LAND ROVER CLASSICS

## **JAGUAR TO BUILD ICONIC XKSS – 'THE WORLD'S FIRST SUPERCAR'**

- Ultra-exclusive sports car to be hand-built by Jaguar Classic
- All nine cars built to exact same specification as those made in 1957, replacing cars lost due to the Browns Lane fire
- Jaguar originally made the XKSS as a road-going version of the Le Mans winning D-type
- Jaguar is to build the stunning XKSS as an ultra-exclusive continuation model.

Nine new XKSS's - often referred to by experts as the world's first supercar - will be hand built by Jaguar Classic to the exact specification as they appeared in 1957, replacing the cars lost due to the famous Browns Lane factory fire.

Tim Hannig, Director Jaguar Land Rover Classic, said: "The XKSS occupies a unique place in Jaguar's history and is a car coveted by collectors the world over for its exclusivity and unmistakable design.

"Jaguar Classic's highly skilled team of engineers and technicians will draw on decades of knowledge to ensure each of the nine cars is completely authentic and crafted to the highest quality.

"Our continuation XKSS reaffirms our commitment to nurture the passion and enthusiasm for Jaguar's illustrious past by offering exceptional cars, services, parts and experiences."

The original cars were earmarked for export to the USA, however, just 16 were completed before disaster struck. Now 59 years later, Jaguar is going to build the nine 'lost' XKSS sports cars for a select group of established collectors and customers.

The expertise gained during the construction of the Lightweight E-type project will be transferred to the construction of the nine ultra-exclusive continuations. Each one will be hand-built at Jaguar's new 'Experimental Shop' in Warwick.

Every car will be constructed to the same specifications as those first 16 made in 1957 – every aspect fully certified by Jaguar. The price will be in excess of £1 million.

The story of the XKSS began following Jaguar's three successive Le Mans victories in 1955, 1956 and 1957 with the all-conquering D-type. After the hat-trick of wins, Sir William Lyons took the decision on 14 January 1957 to convert the remaining 25 D-types into road-going versions with several external modifications - creating the world's first super car.

These modifications included the addition of a new higher windscreen, an extra door on the passenger side, taking away the divider between driver and passenger and the removal of the famous fin behind the driver's seat.

The first deliveries of the new continuation Jaguar XKSS will commence in early 2017.

Jaguar Land Rover Classic is a division of Special Operations and is dedicated to providing cars, services, parts and experiences to owners and fans of classic Jaguars and Land Rovers around the world.

**– ENDS –**

# Jaguar Club of New Mexico

The Jaguar Club of New Mexico is staging its first official concours this summer. We are holding the event in conjunction with the celebration of the **90<sup>th</sup> Anniversary of Route 66**. The concours dates are August 19-21, in Albuquerque, NM. We're a relatively new club with a small (35) but active membership. We hope you have some Jaguar enthusiasts who would like to visit the Land of Enchantment this summer and taste some British Racing Green Chile!

The registration form for the JCNM Concours is available at the JCSC web site :

**[Www.JagClub.org](http://www.JagClub.org)** under the **News & Notices** heading / **Club Events** / **Route 66 90th Anniversary Jaguar Club of New Mexico Concours**.

A number of JCSC members will be attending this event. The JCNM could also use some local judges to assist them with their first Concours. In addition to being a lot of fun and an opportunity to get out of town for a nice weekend not too far away, this is also an opportunity to pick up some additional JCNA points towards national Concours awards.

If you do decide to assist JCNM with their show, please let our local Chief Judge, Jack (**[ChiefJudge@JagClub.org](mailto:ChiefJudge@JagClub.org)**) know so he can help the New Mexico group set up their plans accordingly.
