## JCSC EVENTS

From left, Sam, Al, Dave, Duncan, Richard, Don, Dan, Jack and Cottrell.

---

The Jaguar Club of Southern Colorado is working with a noted local mine engineer and historian on driving tours of the Leadville area and visits to its mines. We are also putting together an aspen viewing drive in September around the Collegiate range in the Buena Vista - Leadville area.

Our mining history tour involves partnering with Land Rover or other SUV owners to permit those of us driving a Jaguar to move into high clearance vehicles for some mild off-pavement drives to historic mining sites. An entertaining and informative presentation outlining the mining history of the Leadville area will be a part of this tour. Due to the large area to be covered and the amount of historic information to be presented, this tour will involve an early departure time from the Colorado Springs - Pueblo area and a considerable amount of time in the Leadville area.

We are hoping to arrange an overnight stay Saturday at the historic Delaware Hotel in Leadville, where we envision the historical presentation to occur. This is, of course, conditioned on enough of us expressing interest in this option early enough to allow us to meet the hotel's terms and room availability constraints. Even if we can't get the Delaware Hotel, we'll try to arrange overnight accommodations in the Leadville area for those who would rather not attempt the drive back to the Springs area late at night. A stay-over at the Delaware Hotel, though, adds a lot of romance as well as being of historical interest itself.

As the proposed drive date is August 27 we will need to move quickly to get arrangements in order. Please let me know as soon as possible if you are interested. We will finalize details if the interest level is high enough.

## Club Dinner the Airplane Restaurant - July 21

July 21 was the monthly JCSC dinner, this month at the Airplane Restaurant. We have been assured that we will be dining in the KC-97 on our next visit.

Threatening skies kept most of the Club's Jaguars home, but we had a good turnout nonetheless.

# Jaguar Club of New Mexico

The Jaguar Club of New Mexico is staging its first official concours this summer. We are holding the event in conjunction with the celebration of the **90<sup>th</sup> Anniversary of Route 66**. The concours dates are August 19-21, in Albuquerque, NM. We're a relatively new club with a small (35) but active membership. We hope you have some Jaguar enthusiasts who would like to visit the Land of Enchantment this summer and taste some British Racing Green Chile!

The registration form for the JCNM Concours is available at the JCSC web site :

**[Www.JagClub.org](http://www.JagClub.org)** under the **News & Notices** heading / **Club Events** / **Route 66 90th Anniversary Jaguar Club of New Mexico Concours**.

A number of JCSC members will be attending this event. The JCNM could also use some local judges to assist them with their first Concours. In addition to being a lot of fun and an opportunity to get out of town for a nice weekend not too far away, this is also an opportunity to pick up some additional JCNA points towards national Concours awards.

If you do decide to assist JCNM with their show, please let our local Chief Judge, Jack (**[ChiefJudge@JagClub.org](mailto:ChiefJudge@JagClub.org)**) know so he can help the New Mexico group set up their plans accordingly.
