May's First Saturdays Car Show will be hosted by Rocky Mountain Mustangs!

The Jaguar Club of Southern Colorado will be participating in each of the First Saturday's Car Shows from May thru October, 2017. These are fun events and only require you to show up and display your car. We usually plan a breakfast or lunch following each show. Our club will be the Host Club for the August First Saturday's show.

The car show is the first Saturday of each month, May through October. Staging is from 7 to 8 a.m. and the show runs from 8 to 10 a.m. The show will be located in the west Dick's Sporting Goods parking lot north west of South Carefree and Powers Blvd.

2017 Pikes Peak Concours d'Elegance

If you are interested in becoming a Concours Judge and attending this training session please contact our Chief Judge, Jack, by replying to ChiefJudge@JagClub.org or to Events@JagClub.org.

If you are currently a JCSC/JCNA Judge, this training is the annual refresher and will include updated Judging manuals. This is a required class to be qualified to Judge in 2017 events.

Feast of Saint Arnold and your Jaguar Club

Red Noland Auto Group and the Jaguar Club of Southern Colorado will be participating in the annual Feast of Saint Arnold (patron saint of beer) Festival held at the Chapel of Our Savior Episcopal Church, 8 Fourth Street in the Broadmoor on Saturday, June 10, 2017.

The Red Noland display at the event will be staffed by members of the Jaguar Club of Southern Colorado. It would help to have volunteers with some knowledge of Jaguar, Land Rover, Infinity and Cadillac.

Below is a breakdown of Club participation in this event per Dan Martin.

- Volunteers needed from 10:30 am for setup and until 5:00 pm for tear down.
- We could run two shifts.
- Event runs 11:00 am to 4:30 pm on Saturday, [June 10th](#).
- Website is [FeastofSaintArnold.com](#)

We need maybe four or five club members (including me) to man the display and collect interest cards from people browsing. Of course our general admission tickets will be free as volunteers, which includes a glass so we can sample the offerings. We can wear our club shirts, badges, pins, etc. People browsing the cars displayed will fill out interest cards and I'll collect the cards to deliver to Thom the following [Monday](#).

With several of us enthusiasts there, some one or two could always break free for pottie breaks, food, and beverage sampling. We could do it with as few as two people, but that really cuts into beverage sampling opportunities and break time. Thom and the other dealers can't free people up on Saturdays, that's their busiest day. But brand enthusiasts can effectively represent the car brands and features, so sales people are not needed for this display duty.

Here's how the request from event organizers came in (quoted below). Event is Feast of Saint Arnold (patron saint of beer)

Saturday, [June 10, 2017](#)

Regular admission noon to 4:30 PM (11 am for VIP ticket holders)

Chapel of Our Saviour Episcopal Church, 8 Fourth Street In the beautiful Broadmoor area of Colorado Springs

If you would like to assist Jaguar Colorado Springs and your Club in this event (and attend a GREAT beer festival too) please contact Dan as soon as possible so he can get this event up and running. Contact Dan at Webmaster@JagClub.org.

STAINLESS STEEL BRAKE HOSES FOR VARIOUS MODELS

SNG Barratt supplies an extensive range of Stainless Steel Brake Hoses which improve braking performance and provide superior resistance to corrosion. Our improved design allows higher temperature operation and longer life. Rubber hoses expand under pressure when the brake pedal is compressed, however with stainless hoses this expansion is virtually non-existent so you get a firmer pedal. Every hose is pressure tested at 4200 psi, and exceeds DOT standards. Burst pressure is 12,550-13,500 psi to meet high speed and high temperature requirement and they have high and low temperature resistance -70°C to +260°C
