ACC EXOTIC CAR SHOW

ACCO Exotic Car Show

The 34th Annual ACC Concours was held Sunday, June 11th, 2017 on the Arapahoe Community College grounds. Everyone began arriving early Sunday morning. It is always hard to get up early on a Sunday, especially for a car show, but once everyone began arriving, it was well worth it.

Steve and Deanie arrived with the club trailer and tents. They don't even have to ask for help any more, everyone knows their job in setting up the tents and just pitch right in. Lots of members brought great food for lunch. Jack Humphrey and LaRon and Aaron Cosley came up from the Springs.

We had a good turnout from our Jaguar dealers as well, Tim and Pete, from Red Nolan, some of the guys from Sill Ter-Har and Stevinson were also there. All in all we had 43 Jaguars on the field.

There were two classifications of judging, Concours Class, which meant that the Porsche and other Judges would judge those cars. The other classification was Club Class and we had eight RMJC Club Jaguars to be judged.

In seven classes, RMJC winners were:

1969 Series 2 E-Type: Mike and Deb Ramirez, 1st Place, 1986 Series 3 XJ Sedan: Jack Humphrey, 1st Place, 1996 V12 Saloon: Jon Strader, 1st Place, XK8 Class: Brent McGibbon with 1st Place, Tom Estes and Brian Simard tied for 2nd Place; XK (2007) Class: Lonnie Glessner, 1st Place; 2007 XKR: 2009 XF Saloon: LaRon and Aaron Cosley (from the Springs club), 1st Place, 2017 F-Pace: Frank and Jean Oakley, 1st Place, President's Choice went to Jeff Schroder for his D-Type, and really his C-Type too, but we only had one ribbon. There were around 500 fantastic cars of all makes and models on the field, and out of all those wonderful cars, People's Choice went to David Massy for his beautiful Cotswold Blue 1958 XK 150 OTS.

Last year's attendance was 14,000 and we will wait to hear what the final total will be for 2017, but everyone said it was more crowded this year.

Thanks to Vince Lane for his year-long service to the club by representing us on the ACCO planning committee for this event. It came off without a hitch, even though the field was smaller than last year due to temporary modular classrooms the college put up which necessitated staging adjustments for many cars, including the Jaguar corral. And thanks, too, to Vince and Deanie for bringing decorated cakes to help celebrate Gary and Judy George's 55th wedding anniversary which was the day before the Concours, and Frank Oakley's 70th birthday which was on June 15. The cake for the Georges even had a Leaper on it!

thanks to Steve Kennedy

STAINLESS STEEL BRAKE HOSES FOR VARIOUS MODELS

SNG Barratt supplies an extensive range of Stainless Steel Brake Hoses which improve braking performance and provide superior resistance to corrosion. Our improved design allows higher temperature operation and longer life. Rubber hoses expand under pressure when the brake pedal is compressed, however with stainless hoses this expansion is virtually non-existent so you get a firmer pedal. Every hose is pressure tested at 4200 psi, and exceeds DOT standards. Burst pressure is 12,550-13,500 psi to meet high speed and high temperature requirement and they have high and low temperature resistance -70°C to +260°C
