JCSC February Events for 2018

JCSC Board Meeting

The next Jaguar Club of Southern Colorado **Board of Directors meeting** will be held on Thursday, February 8th at Jaguar Colorado Springs, 565 Automotive Drive in Motor City at 6:00 P.M. The Board meetings are open to all Club members or anyone interested in learning more about our Club.

JCSC Membership / Dinner Meeting

On February 14 (Yes, Valentine's Day - bring your sweetie to Jack Quinn's for a romantic Irish Dinner) we will be holding our first **Membership Dinner/Meeting** at Jack Quinn's Irish Pub, 21 South Tejon St. in downtown Colorado Springs. We have reserved the upstairs meeting area for our dinner. Please join us for good food and conversation. Following dinner, we will hold some short presentations by our Board members and Committees. We look forward to your comments and questions regarding our plans for 2018. It's a great chance to learn more about what's happening within your Jaguar Club for the new year. We hope you'll join us. **Please RSVP to Events@JagClub.org.**

February Event — Western Museum of Mining and Industry

The February, 2018 Club Event will be a **tour of the Western Museum of Mining and Industry**, 225 North Gate Blvd (directly east of Interstate 25 in north Colorado Springs). The tour will begin at 10:00 A.M. on Wednesday, February 21) and we will have lunch at Bourbon Bros. (13021 Bass Pro Drive, just up the hill from the Mining Museum) after the tour. Anyone that wants to visit the Western Museum of Mining and Industry but can't make the Wednesday event will get another weekend opportunity in May (details will be forthcoming on the May weekend tour). Again, **please RSVP** to Events@JagClub.org.

Attached to this memo (page 8, 9 and 10) is a copy of the current **Events Schedule for 2018**. If you attended the Club Dinner at Fargo's, you received an earlier copy of this list however this updated copy has some new information, such as the upcoming St. Patrick's Day Parade (information on page 6).

JCSC MARCH EVENTS FOR 2018

Center for American Values

On Saturday, March 10, the JCSC plans to tour the Center for American Values in Pueblo. Details are forthcoming but if you are interested in this event, please let us know and we'll get the plans going. We will also have lunch or dinner in Pueblo along with this event. More information is available at www.AmericanValuesCenter.org.

The March JCSC Club Dinner will be held at Johnny's Navajo Hogan Restaurant, 2817 North Nevada Avenue at 6:00 P.M. on March 14. Information on the Hogan is available at www.opentable.com/r/johnnys-navajo-hogan-colorado-springs. To insure we can reserve adequate seating, please RSVP to Events@JagClub.org.

Saint Patrick's Day Parade — March 17, 2018

The Jaguar Club of Southern Colorado has been invited to participate in the 2018 **St. Patrick's Day Parade being held in downtown Colorado Springs on Saturday, March 17, 2018**. Car clubs are being limited to 8 cars per club this year and ALL entries will be required to decorate their cars appropriately for the Holiday.

The club needs to apply for registration no later than February 20 so **we need to know how many people are interested in entering their cars (Jaguars, of course) in the parade as soon as possible**. There is also a registration fee to participate in this event. The JCSC will cover the registration fee for each car IF we get 8 cars signed up before the registration deadline of February 20. We will make a final decision regarding club participation as soon as we know how many people are committed to attending. **RSVP to Events@JagClub.org**.

WHAT'S IN YOUR GARAGE?

The JCSC is introducing a new series of events in 2018 -

What's In Your Garage?

Do you have a garage project that you have spent years completing? Do you have a hidden collection of old Jaguars that you just really want to show someone? Maybe you love hosting BBQs and want a lot of Jaguars parked in front of your garage! Whatever is in your garage, (or on your mind) here is an opportunity to show it off and combine that with a dinner, bbq, trip to a nearby favorite restaurant or just the tour.

An accurate attendance count for these events is vitally important. PLEASE mark your calendar and RSVP (www.JagClub.org) as soon as possible if you want to participate. Cutoff dates for RSVP s are shown for each event.

We're starting this new event series with a tour of **Jim's ReinCARnation Auto** restoration shop on Thursday, June 21, 2018. Jim will host a BBQ - just bring your own beverages - and see what's new in Jim's HUGE garage!! That's always VERY interesting. Exact start time will be emailed as we get closer to this event. RSVP by June 14, please.

Next will be **Rory and Emily's garage** (or maybe just their back yard). They will host a Pot Luck BBQ (the Club will provide the meat) at their home in the Perry Park/Sedalia area on Saturday, July 21, 2018. Again, exact start times and directions etc. will be forthcoming. Please RSVP no later than July 14th (www.JagClub.org).

2018 Jaguar E-Pace

The new Jaguar E-Pace was introduced at a one evening event at Jaguar Colorado Springs on Monday, January 15.

Those in attendance got a sneak preview of the brand new beautiful and elegant little Jaguar!

Just a quick glance at the photos reveal a great

deal of design elements from the Jaguar F-Type and the F-Pace which, I'm sure runs much more than skin deep.

I had the opportunity to drive an E-Pace First Edition

today and it's a real delight; quick and nimble and very comfortable. The ideal size for around town driving. There is no doubt this is a Jaguar!

There's nothing that makes you appreciate your Jaguar more than studying transportation from 150 years ago.

There is a lot of interesting history on display at the Ghost Town Museum in Old Colorado City.

STAINLESS STEEL BRAKE HOSES FOR VARIOUS MODELS

SNG Barratt supplies an extensive range of Stainless Steel Brake Hoses which improve braking performance and provide superior resistance to corrosion. Our improved design allows higher temperature operation and longer life. Rubber hoses expand under pressure when the brake pedal is compressed, however with stainless hoses this expansion is virtually non-existent so you get a firmer pedal. Every hose is pressure tested at 4200 psi, and exceeds DOT standards. Burst pressure is 12,550-13,500 psi to meet high speed and high temperature requirement and they have high and low temperature resistance -70°C to +260°C
