Please bring your favorite beverage and a side dish, the Jaguar Club will provide the meat. Rory prepared the excellent map below and included his phone number in the event you need additional details.

This is going to be a nice getaway from the city heat!

Please let us know ([events@JagClub.org](mailto:events@JagClub.org) or by phone 719-471-4098) if you plan to attend. We want to make sure we have enough meat for everyone.

## July JCSC Drive / Tour

Keep your Jaguar fueled up because Immediately following the party at Rory and Emily's, (actually, it's the next day, July 22) the Jaguar Club of Southern Colorado will do a repeat tour of the Rambler Ranch in Elizabeth, CO. # Pikes Peak Concours d'Elegance and British Motoring Festival

Just in case you think we forgot (we didn't) our Annual Pikes Peak Concours d'Elegance and the British Motoring Festival are still very much on our agenda!

Sunday, September 30, will feature a VERY BRITISH landscape in an area that ALWAYS features a very British landscape. You will have the opportunity to view (and participate if you choose) a more diverse selection with a large dose of "Vintage" included. If you own something British (vintage or not) this is the opportunity to show the rest of the community your gem from across the pond.

Preparation for this show requires a lot of planning and the Jaguar Club of Southern Colorado Concours and Events Committee are putting all the pieces together to make this another outstanding event. All the requisite flyers, posters, forms and applications are in the works and will soon be available so YOU can start planning, too!

## Bill & Olene Greenwoods “Hobby”

Bill and Olene's Pikes Peak Hill Climb Open Wheel class race car.

## The Greenwoods - in action!

photos courtesy of Bill and Olene Greenwood

JCSC members Bill and Olene Greenwood take their car hobby a few notches above most of us - they build a serious race car for competition in the Pikes Peak Hill Climb. The driver (and co-builder) of this car is Andy Figueroa.

The first edition of this car was built in 2006. Over the years this car has evolved to work with the transition of the Pikes Peak highway from gravel to asphalt that completely changed the characteristics of the Pikes Peak Hill Climb.

The best run to date is 10 minutes 15 seconds which netted the team second place and captured "Fastest Chevy" on the Peak. The Greenwood's car was featured on the cover of the June 22nd edition of The Gazette.

This year the Greenwoods suffered a DNF when the fuel system was damaged by a small piece of debris.

My sincere THANK YOU to Bill and Olene for giving me and several other JCSC members the opportunity to watch this project evolve throughout the year. Come by the August 11th Jags & Java - Bill and Olene may display their car at that event.

By the way, their other car IS a Jaguar!
