## HEADS UP!!

***"It's a long road that has no turning,  
Always doing the same thing is  
neither beneficial nor entertaining."***

Irish proverbs seem typically gloomy. And so here we are still doing our best to keep covered safely in the garage. Now spring is showing signs of warmer days and shorter nights to tempt us.

We dream of cruising down a carriageway to the roundabout and fiddle with the carburettors after the motor warms up. Last thing we need is to get absorbed with the scenery and loose focus on the road ahead. There are still dangers out there to be wary of. Our club needs to stay alert and avoid events that are risky. Distractions from hazards are all around and the safety tech in your **Jaguar** cannot remind you to mask up or keep away from crowded situations. Your mind is the best safety tool you have. We must stay alert and be **heads up**.

### March 3 Meeting will be online at 6pm

Check your email to link to the Zoom meeting. We will begin the planning for the 2021 Concours d'Elegance so plan to be a helping part of the big fall show.

Spring brings more opportunities to plan drives and restrictions may loosen to add diners to explore. Join the zoom meeting to get your ideas to the group.

## Remembering Don Yowell

Our dear friend and past club President, Don Yowell passed away last week. We will miss his youthful humor and warm smile. He guided our club through many years and created our newsletters with a diligence I cannot match. I was broken hearted and missing him when he became so ill. I am filled with sadness that we were powerless to ease his burden. He was a true friend that laughed at all my jokes even when he didn't hear them.

Rory Andrykowski,  
JCSC President.

### Cherokee Ranch Castle - "Iced" Tea Party Review

The February Tea Party and Tour of historic Cherokee Ranch Castle went on despite the freezing weather. Our members and guests were welcomed into the warmth of the great hall for hot tea, sandwiches, pastries, and scrummy desserts. The volunteers were gracious and generous with sharing the history and lore of the landmark estate.

Thank you to all that braved the winter storm to make this outing a pleasant escape from the continuous lockdown we are all enduring. It was a treat to get dressed up and socialize with fellow Jaguarists

## **Jaguar Land Rover Colorado Springs**

### Special Introduction of Our **JAGUAR** Team Member *Jason Steuert*

I am Colorado native, but I am having trouble getting accustomed to our population growth. I grew up in a what was a small town, Parker Colorado as well as Englewood Colorado. I am the youngest of 9. I spent a lot of my childhood playing sports and hanging out with my family. Now that I am older, I still enjoy almost every sporting events, particularly football. Some might say my enthusiasm for the Denver Broncos is rather unhealthy! Most of all, I love spending time with my daughter and my grandson! We enjoy the great outdoors, especially during the coldest months!

I joined Red Noland Jaguar Land Rover in May 2015. I have stayed with Red Noland because they are a dynamic organization that will utilizes a passionate business model! During my tenure at Red Noland I have received the Red Noland Award for Highest Level of Customer Satisfaction for 2017 and 2018, as well as 2019, Master Sales Consultant in 2018, as well as the Atlas Award for Top Sales Production in 2018. I also achieved top 5% in all of North America for Jaguar Land Rover for 2018. I have absolutely fallen in love with the brand so working for this organization has been fantastic!

Prior to working at Jaguar Land Rover Colorado Springs, I was a Sales Supervisor/Sales Manager as well as a sales trainer for 14 plus years for several organizations. I have a passion to work with people, but also to help customers with providing excellent customer service!
